---

The Oklahoma Secondary School Activities Association is a non-profit organization that is self-supporting without the use of any State or Federal tax monies.

For over a century the mission of the Association has been to provide fair and equitable participation opportunities in co-curricular activities for students. One hundred thirty-two State championships are crowned in 27 different activities. Academic excellence is recognized and rewarded with three different levels of awards, including a State Championship.

The Executive Director and the Staff at the OSSAA coordinate, supervise and regulate all activities sponsored by the OSSAA. Four hundred and eighty one schools, belong to the organization, supporting the goals and mission of the self-governing organization
