I. BASKETBALL RULES

A. Beginning and Ending of Season - Rule 15

1. The basketball season for all non-football playing schools shall open on November 1. The season for all football playing schools shall open for senior high schools on the third weekend in November and the season for junior high school football playing schools may open on week 19 which will be Monday, November 7, 2016. A weekend is Thursday, Friday and Saturday.
2. From the close of the basketball season until October 1, member schools and school coaches shall not hold organized basketball practice or interschool scrimmages. Organized practice is defined as school coaches or anticipated school coaches directly or indirectly giving individual or team instruction concerning fundamentals. However, from the opening of school until October 1, and from the close of the basketball season until the close of school, member schools may give basketball instruction in a physical education class during the regular school day. When there is no organized physical education class scheduled during the school day, a school may schedule an additional class period immediately after the close of the school day not to exceed 60 minutes, for the purpose of conducting a physical education class.
3. Boys teams in non-football playing schools, and all girls teams, may hold interschool scrimmages any time after they start organized practice. A scrimmage is defined as a contest against another school where no official records are kept and scores are erased at the end of each period played. There shall be no loss of instructional time for scrimmages, including travel.
4. Boys teams in football playing schools shall not hold interschool scrimmages before November 1.
5. In addition to the Activities Association sponsored championship tournament series, teams from schools playing football are permitted eighteen (18) basketball games and teams from schools not playing football are permitted twenty (20) basketball games. The OSSAA Board of Directors voted April, 2006, to allow high school basketball teams the opportunity to play in a third tournament without adding additional games or changing the dates of the tournament weeks for the regular season. This change would allow football playing schools the opportunity to play either 16 games and 2 tournaments or 14 games and 3 tournaments. Non-football playing schools could play in 18 games and 2 tournaments or 16 games and 3 tournaments. 9th grade students may participate on both the junior high and the high school team but are limited to 2 tournaments. Exception: High school teams that have scheduled 14 games and 3 tournaments or 16 games and 3 tournaments may allow a 9th grade student to participate in no more than 3 tournaments. All junior high teams are permitted (16) games. A team will be charged with one game for each invitational tournament it enters. In a festival, a team will be charged with a game for each game played in the festival.
6. Junior high teams are limited to 14 games and two basketball tournaments, and individuals will be limited to two tournaments. A school could have a seventh grade junior high team, an eighth grade junior high team, and a ninth grade junior high team or any combination of the three, but each team would be limited to two tournaments.
7. Prior to December 1, member schools and individual students are limited to six (6) interschool scrimmage dates for boys and girls.
8. **VIOLATION OF CONTEST LIMITS (TEAMS AND/OR INDIVIDUALS):**
Generally, if the contest meet or tournament limits for a particular activity have been exceeded, by either a school team or by individual participants from a school, the following sanctions will be applied.
 - (a) The head coach in that activity shall be suspended from coaching in any regular season contest, at the same level, in the same activity for the remainder of the current regular season and any championship play-off events for that school year.
 - (b) The head coach in that activity shall be suspended from coaching any regular season contests, at the same level, in the same activity for one-half of the regular season the next school year.
 - (c) The school will not be allowed to host any play-off contests in that activity during the school year in which the violation occurred.
 - (d) The program will be placed on warning for a period of one year.
9. When an **entire** tournament is cancelled due to weather or other unusual circumstances, schools may be allowed to schedule two additional games (**with OSSAA approval**).
10. In the event one game of a regular season scheduled tournament is completed, and the remainder of the tournament is cancelled (not postponed) due to inclement weather or any other act of nature; a school may submit a written request to the OSSAA Staff seeking permission to schedule one additional regular season game. This contest must be played prior to the beginning of the playoffs series.
11. **OSSAA RANKING PROGRAM**
The OSSAA has an on-line ranking program for use by school administrators, coaches, and the general public. The program is accessible at the OSSAA website (www.ossaa.com).
For the sports of Football, Fall Baseball, Spring Baseball, Basketball, Fast-Pitch Softball, Slow-Pitch Softball, Volleyball, Soccer, and Wrestling (all match scores and team results of invitational tournaments) and Golf (team score), it is mandatory that results from each regular season contest be entered into the ranking program within 24 hours of the conclusion of the contest throughout the season. Once any athletic activity, with the exception of Cross Country, Swimming, Track and Field and Tennis, enters the play-off series for that activity, those results must also be entered within 24 hours of the conclusion of the play-off contest.
Any coach failing to report the score within 24 hours of the conclusion of a contest will initially be notified in writing of his or her failure to comply by OSSAA Staff. A copy of that correspondence will be sent to the coach's school administrator as

well. A second incident of failure to report will result in the coach being placed on warning for a period of one year. A third, and each subsequent failure to report will result in the suspension of the coach for the next contest.

B Participation in camps, clinics, and summer practices, leagues and tournaments

1. To help prevent participating individuals and school teams from gaining unfair competitive advantages, certain restrictions are placed on camps, clinics, summer practices, and summer leagues and tournaments in athletic activities.

Summer time is defined as after the conclusion of the spring semester through the first full week of August, with the exception of football and basketball as outlined in Section B-3, below. Schools teams shall not participate in summer leagues, (cannot wear school uniforms, use school transportation, or use school equipment) until the conclusion of the spring semester.

No restrictions on summer team practices are placed on the following athletic activities: fall and spring baseball, fast-pitch softball, slow-pitch softball, cross-country, golf, tennis, swimming, volleyball, track and soccer.

No summer team practices are permitted in football or basketball. Individual wrestlers may practice unattached to any school team during the summer when school is not in session.

2. In football and basketball, school personnel who are serving or are designated to serve as coaches or assistant coaches:

may not conduct practice for a school team, in a direct or indirect manner, during this summer period as defined above;

may coach a team that includes individuals that are members of a school team during this summer period, in a camp, clinic, summer league, or summer tournament.

may not coach a school team in a league or tournament **before the conclusion of the school year or after July 15.**

An exception to the above limitations may be granted by OSSAA, but approval for such an exception must be requested and granted in writing, in advance.

3. School personnel who are serving or are designated to serve as coaches or assistant coaches are permitted to conduct or provide instruction at individual camps or clinics in a particular sport, including camps or clinics in which members of the school team in that sport are participating, provided that:

no session of the camp or clinic is held before the school year has concluded or after the first week in August (except in football, any camp or clinic using OSSAA member school facilities must be concluded before July 15).

4. An individual student who is attending or who is enrolled and planning to attend a member school in grades 7-12:

may participate on a non-school team in a league or tournament, including during this summer period as defined above, (such as in AAU competition), however:

- (a) school personnel serving as or designated to serve as a coach or assistant coach may coach that team, with the exception that in basketball, a school coach is permitted to coach a team that includes no more than two students who participate or are expected to participate on the same school team;

may participate in individual camps and clinics in a particular activity, however:

- (a) during the school year, a student may only participate if approved or permitted by the school, and the camp or clinic is not held at an OSSAA member school.
- (b) after the school year has been completed, a student may only participate through the first week in August (except in football, any camp or clinic using OSSAA member school facilities must be concluded before July 15);
- (c) no fees or expenses for the camp or clinic may be paid by the school, or by school personnel, or by any booster club or organization associated with the school, or by any non-family member; any discount or waiver of fees or expenses must be based on financial need, and must be available to all participants based on the same standards;

may participate in no more than two team camps and clinics in a particular activity, **(except in basketball, students may participate in any combination of four team camps or summer tournaments).**

- (d) the camp or clinic is held after the school year has been completed and before the end of the first week in August (except in football, any camp or clinic using OSSAA member school facilities schools must be concluded before July 15), and

- (e) the camp or clinic takes place during no more than seven days, over no more than two consecutive weeks.

A student may not accept any award other than a trophy, plaque, or medal, etc., for participation or achievement on a non-school team or in any type of camp or clinic. A student may accept items commemorating participation in a league, tournament, camp or clinic which are given to all participants, such as a T-shirt or a certificate, provided that the costs of such items are included in the fees and expenses charged for those events.

5. A student who participates in a camp or clinic in violation of any of these policies shall be ineligible unless and until reinstated by the Board of Directors. A coach who violates any of these policies shall not be permitted to engage in any coaching unless and until reinstated by the Board of Directors.
6. Definitions applied under this policy:

- (a) An individual camp or clinic is an instructional event for a particular activity, at which instruction is focused on individual skills and techniques rather than organized team play.
- (b) A team camp or clinic is an instructional event for a particular sport involving a substantial number of school team members from at least three schools participating as a team during instruction, scrimmages, and/or games. All school team members must be enrolled at the school for which they participate during the team camp.

In basketball, if five or more school team members, and in football, if seven or more school team members, are participating as a team in a camp or clinic, then that camp or clinic is considered a team camp or clinic.

- (c) A league consists of three or more teams playing games against one another and maintaining standings according to wins and losses, and played over the course of a minimum of three consecutive weeks.
- (d) A tournament is an event involving six or more participating teams, competing for no more than three consecutive days.

7. Restrictions on Schools and Booster Organizations

A member school may conduct a camp or clinic for a particular activity, or permit a camp or clinic to be conducted on school property and/or in school facilities, after the end of the school year, provided that:

- (a) the camp or clinic is open to students from all member schools in the grade level or grade levels designated for that camp or clinic;
- (b) the camp or clinic is concluded prior to the end of the first week in August (except in football, any camp or clinic using OSSAA member school facilities must be concluded prior to July 15).

Fees for camps or clinics conducted by the school or allowed to take place on school property and/or in school facilities may be discounted for children of school employees, provided that the same discounts are available to children of all school employees on an equal basis. In addition, a volume discount may be given, based on the number of children from the same household seeking to attend, provided that the volume discount is available for all families on the same basis.

Fees also may be discounted for students who are financially unable to pay the fees and expenses of the camp or clinic. The student must be able to demonstrate by objective means that financial assistance is needed, and all students must be evaluated for and granted assistance based on the same standards.

Johnson-O'Malley funds available to the school may be used to pay or offset expenses associated with camps or clinics conducted on school property and/or in school facilities.

- (c) A member school is not required to obtain OSSAA approval in advance to hold a camp or clinic, or to allow others to conduct a camp or clinic, on school grounds and/or in school facilities. If, however, approval is not given in advance, then the event is not sanctioned by OSSAA, and participants in the camp or clinic will not be covered by any catastrophic injury insurance obtained by OSSAA.
- (d) A member school may not conduct a camp or clinic, or allow a camp or clinic to be conducted on school property and/or in school facilities, which is limited, or which provides preferential treatment to, certain student-athletes or to students from certain schools, or which restricts participation on an "invitation-only" basis.
- (e) The school, or a booster club or organization associated with the school, may pay fees and expenses of the school team to attend a team camp or clinic, provided that all members of the school team have been invited to attend, and fees and expenses are paid for team members on an equal basis. Any monies coming from a booster club or organization for this purpose must be contributed to the school, and distributed from a school account to pay these fees and expenses.

EFFECTIVE APRIL 16, 2014 – The school may allow school-owned vehicles to be used to transport students enrolled at the school to an individual camp or clinic located in Oklahoma or a bordering state, and pay the cost of fuel for those vehicles, but the school otherwise may not pay for transportation expenses for students to attend an individual camp or clinic.

- (f) A member school conducting a camp or clinic or allowing a camp or clinic to be conducted on school property and/or in school facilities must provide OSSAA, upon request, a list identifying students and personnel participating in the camp or clinic.
- (g) The school and/or school personnel may be penalized for any violations of these policies. If a booster club or organization associated with a school violates any of these policies, then the school may be required to end or restrict the involvement of that club or organization in school activities.

II. Rule 20**A. Approval of Tournaments, Meets and Contests****1. Section 1**

VII. NOT HONORING A PROTEST (Board Policy XLVIII)

OSSAA will not consider requests to overturn the determinations of game/contest officials in interpreting or enforcing rules at games or contests. In agreeing to participate in a game or contest, a member school, and the individual participants and the coaches or sponsors representing that member school, accept the risk that game/contest officials may make errors in interpreting or enforcing rules at games of contests. Any errors by game/contest officials should be raised with those officials, in a respectful manner, and in accordance with the rules established for that particular activity. The decisions of the game/contest officials are accepted as final.

An exception to this Policy may be granted if in the case of an ejection of a participant from a contest, the game/contest official misidentifies the individual who should have been ejected. The request to review the misidentified player must be submitted to the OSSAA in writing.

All schools shall compete in the classification in which their ADM places them. (NOTE: Co-op basketball teams will be placed in the classification in which the combined ADM of the two schools places them. Classification of other schools could change due to co-ops.)

 - 3. Suitable trophies will be awarded to winners of those tournaments.

IX. PLAY-OFF TOURNAMENT

 - 3. All refunds will be made through the Activities Association office in keeping with uniform refund schedule adopted by the Board of Directors.
- B. Tournament Expenses
 - 1. In tournaments where the host school has a team participating, local expenses of the tournaments will be paid, provided they do not exceed \$250.00 per session in district play with \$250.00 per session allowed for regional play. In addition, District tournament host sites may claim \$50.00 per game for security expenses. Regional tournament host sites may claim \$75.00 per game for security expenses. 2. Players should be admitted throughout the last tournament in which their team was eliminated.
Example - Boys teams eliminated in the first round of regional tournament should be admitted to the remainder of the regional tournament.
3. Each school will be given 20 passes for the state tournament. If additional passes are required, documentation must be presented by the school administration. If the passes are issued to anyone not officially part of the team, the coach could be penalized. Members of the press should be admitted to all playoff games as well as cheerleaders in uniform. After the team is eliminated holders of player passes should be required to identify themselves for free admission. If passes are not issued the players must enter with the coach.

Such ticket stubs are not to be used as pass out tickets. CHILDREN OF SCHOOL AGE (K through 12) are to be charged the regular student rate.
2. Tickets will be serially numbered.
3. Before the tournament begins, check the tickets with the report form mailed to you from the OSSAA.
4. Instruct your sellers to be sure that all UNSOLD tickets are in consecutive serial number order, meaning that the remainder of the UNSOLD book is consecutively numbered without any intermittent tickets having been sold.
5. If tickets are sold from more than one booth, it is satisfactory to sell them from two or more books at the same time. This will avoid having to sell from removed portions of a book.
6. Return all unused tickets along with the ticket report to the OSSAA immediately after your tournament.
7. OSSAA will not reimburse schools for fringe benefit costs (e.g. teachers' retirement contributions or social security benefits, hospitality rooms, concession workers, etc.)
8. Managers are to use only those tickets which are supplied by the OSSAA. We hope that we have anticipated your needs, but if you have reason to feel that you will need more, call us and we will forward an additional supply. In the event you experience a last-minute exhaustion of tickets, then perhaps you might use some of your own to complete your tournament.

XVII. GUIDELINES AND POLICIES FOR SUPERVISION OF BASKETBALL GAMES

A. Common Courtesies of Host and Visiting Schools

1. The administrators of both schools are responsible for the general organization, management, and supervision of student bodies and crowds before, during and following each event, with the home school assuming the major role.
2. Communicate prior to date of contest concerning visitors' parking area entrance and exit locations for fans, seating sections, etc.
3. Provide adequate supervision prior to and during each contest, to continue until at least one-half hour after the game or until all groups have dispersed.
4. It is recommended the people representing the participating schools for the purpose of game administration and/or supervision (principals, superintendents, etc.) meet prior to the contest. They should introduce themselves to the officials and the tournament manager prior to the contest and let them know where they will be located during the game. The manager and officials should know whom to contact, should a problem arise.
5. The conduct of coaches is the single most important factor in crowd control. They are professional educators and must control themselves under stress in order to set the proper example for the immature students on their teams, student body and the heterogeneous combination of spectators in the stands. It is not enough to be professional only when there is no pressure. Coaches are usually the stabilizing influence in an emotionally-charged situation, and they must assume this important responsibility. Also they must recognize that the future of high school athletics is more important than winning or losing the game.
6. Alcoholic beverages, tobacco, and smokeless tobacco are prohibited.
7. Both schools must approve the officials for each regular-season contest prior to the completion of the officials' contracts.
8. Any person, school-connected or otherwise, who commits assault and/or battery against students, school employees, or game officials, shall make amends to the offended person or persons, and the Executive Board of the OSSAA shall be satisfied that the public interest does not require prosecution or further disciplinary action. Unless the person or group has made amends to the offended person or persons, then charges should be filed. It is the host school's responsibility to file such charges. Ordinary order and discipline at interscholastic events should be enforced by prosecution and action in the courts.
9. The host and visiting school administration and adult supervisors shall make every effort to keep the court clear of spectators prior to and at the conclusion of each game. It is their responsibility to prevent the players or fans from cutting down the nets after any contest.

B. Recommendations for Crowd Accommodation and Maintaining Good Sportsmanship

Policy Statement: Any high school having an interscholastic athletic program should establish a well-planned crowd control program before the start of the school year. Personnel who should be included in developing the plan are: administrators, athletic director, coaches, supervisor of cheerleaders, band director, security personnel and the game announcer. Printed copies of the final statement of the crowd control procedures should be distributed to all personnel involved in any way with the conduct of the game. The program should be developed to regulate three stages: 1)before the contest, 2)during the contest, and 3)after the contest. Specific responsibilities should be outlined for all involved.

1. BEFORE THE CONTEST

If the athletic program is to be successfully administered, the athletic director must be concerned with the welfare of the fans and the student body. Since most high schools are in need of the additional revenue from gate receipts for financing the athletic program, all efforts must be put forth to make attendance an enjoyable experience, thus ensuring a return to other contests. Important pre-planning steps are:

- a) Make sure that all facilities are clean and comfortable.
- b) Staff adequate concession stands; if necessary, provide one for home and one for visitors.
- c) Provide ticket booths with admission prices plainly posted.
- d) Make available to visiting schools necessary game information: include directions for game parking, location of ticket booths, seating arrangement chart, ticket prices, game time, directions for reaching the site.
- e) Provide supervised parking, when feasible.
- f) Designate specific seating areas for students, bands, adults and visitors. If possible, opposing student bodies should be separated. If a reserved seating section is used, make sure that seats are clearly designated and that an usher is present.
- g) Discuss with the student body the need for showing good sportsmanship to visitors. An informative presentation of game rules and their interpretations might be helpful.
- h) Inform cheerleaders of the importance of proper timing of yells, display of good sportsmanship to visitors and cooperation with team, band and other activities.
- i) Arrange for adequate police supervision.
- j) Post in plain sight at the entrance to the stadium or gym a copy of the reasons for expulsion from the contest, e.g., use of alcohol, drugs, throwing objects, unruly behavior.
- k) Assign officials to dressing facilities separated from both teams. Provide escorts for the officials when it appears that disturbances may develop.
- l) In extreme circumstances metal detectors may be advisable.

2. DURING THE CONTEST

- a) Provide for adequate supervision of students and facilities by the home school.
- b) Be sure that visiting schools assume responsibility for supervising their students.
- c) Plan an interesting half-time program.
- d) To prevent long lines, assure extra help at concession stands during half-time and at breaks.

- e) Arrange for security facilities to prevent fans from getting on the field, around the players' bench area or directly into areas of competition.
 - f) Have P.A. announcer give the location of rest rooms, concession stands and lost and found station.
 - g) Provide a first-aid room for emergencies. Have an ambulance and doctor in attendance at home football games, if possible.
3. AFTER THE CONTEST
- Planning for after the contest is probably the most important of the three stages in crowd control. Most incidents and encounters occur after the game when the fans are on their way home. Some of the most important considerations are:
- a) Develop a procedural plan for the exit of teams, officials and spectators.
 - b) Direct the route for movement of all visiting school buses and all home team buses. (Include band, pep club buses, etc.)
 - c) Use the P.A. system to: 1) caution spectators about not walking on the floor or field, 2) give directions for leaving the area, 3) drive safely.
 - d) To facilitate orderly movement of traffic lines, provide directive (local police may help) supervision for cars leaving the parking area.
- C. RESPONSIBILITIES – ADMINISTRATORS AND ATHLETIC DIRECTORS
- 1. Assign and delegate to the proper school official the authority for crowd control responsibility.
 - 2. Convey to the delegated authority the seriousness of crowd control.
 - 3. Review with the athletic director the responsibilities of the police before, during and after the contest.
 - 4. Stress good sportsmanship. Work with the student body to better their attitude through assemblies and the school public address system.
 - 5. Insist that the coaches conduct themselves in a manner conducive to good sportsmanship and clean athletics.
 - 6. Inform visiting school as to where you want them to park their buses and see that the guests are greeted and escorted to the game site. Inform the guest cheerleaders and reserve athletes to stay at the game site (with security) until the varsity athletes are ready to leave. Escort cheerleaders, athletes and coaches to their bus. As the fans leave the game site after the contest, have security move with the flow. After the fans are to their automobiles, see that traffic flow is organized and moving quickly.
 - 7. Provide separate, clearly marked seating areas for the adults, students and visiting bands. It is strongly recommended that the fans from the two schools remain in the area designated as "their" stands. Problems occur whenever there is a crossover of fans and dialogue takes place, e.g., taunting, name-calling, teasing, and derogatory cheering. On a positive note, a student cheering section can add a new dimension to your school spirit.
 - 8. Provide for parking and have a host (manager or athletic director) greet the officials and escort them to their dressing facilities. These facilities should be private and include a shower. The officials' dressing room is off limits to all players, coaches, fans and news media personnel.
 - 9. Acknowledge payment of officials prior to the game. As a courtesy to the official, provide soap, towel and refreshment.
 - 10. After the game is over, see that security personnel go on to the playing area and escort the officials directly to their dressing room.
 - 11. Remember, it takes very little to incite an already "up tight" crowd.
 - 12. Provide visible police protection. This security force should have radio equipment which permits communications at all times. Security personnel need to know what you expect of them before, during and after the contest. They should have the philosophy of being there to provide a service – not just to look for a problem. A gentle but firm attitude is very helpful.
 - 13. Encourage as many faculty members as possible to attend the athletic contests.
 - 14. Insist that unruly spectators be removed from the premises. Take legal action against those who are guilty of assault or of disturbing the peace.
 - 15. Outline to the students what is acceptable behavior at athletic events. Outline what will happen in cases of misconduct.
- D. Hints for Public Address Announcer
- 1. The announcer is a key figure and carries a great responsibility. What he or she says and the way it is said will influence the crowd. He/she may find it necessary to make special announcements in case of emergencies. The following items may assist announcers in doing their job with excellence:
 - a) Be impartial. Announce the game with no show of favoritism.
 - b) Use proper language at all times.
 - c) Be enthusiastic but calm.
 - d) Don't anticipate or second guess calls by the officials.
 - e) Be aware of the entire gymnasium area so that calm directions can be given in an emergency. Serious situations can often be avoided if the announcer will caution the crowd against coming onto the court, throwing things, cutting down nets, etc.
 - f) Let no one, except those in charge of the event, use the microphone. The announcer is responsible for whatever is said over the P.A.
 - g) Do not criticize officials' decisions, directly or indirectly.
 - h) Announce convenient routes for leaving the gymnasium and caution the crowd to drive carefully.
 - i) Advise the crowd to stand for the alma maters as this is a part of the program.
 - 2. Pre-contest announcement.

The public address announcer should be aware that good sportsmanship is a very important part of interscholastic activities and he/she can play an important role in its encouragement. The following is presented as a possible pre-game announcement for any interscholastic contest:

"Activity programs at (name) High School are primarily for the student participants. The purpose of this activity is to provide positive learning experiences and opportunities for personal growth of the participants. We are pleased to host our guests from (name) High School. This competition is being conducted according to the rules of the Oklahoma

Secondary School Activities Association. Cheerleaders, officials and spectators can and are expected to assist in the promotion and achievement of good sportsmanship ideals by taking personal responsibility for keeping this contest at a high level of fair, clean, wholesome competition. Good luck to both teams."

E. Safety Rules for Basketball Games

Fire Safety Rule.

- a) At no time should the people admitted exceed the building capacity.
- b) Aisles should not be blocked by seats, chairs, or spectators.
- c) Proper fire regulations and crowd control should be maintained.
- d) Emergency exits should be kept clear, properly lighted, properly marked or designated and in good working order.
- e) All emergency exit doors should be equipped with panic hardware. No other type of lock or bolt should be used on emergency doors at any time and a sufficient number of emergency exits should be provided.
- f) Smoking should be prohibited.
- g) All first aid equipment such as fire extinguishers, standpipes, and hose should be checked before each game by a responsible authority.
- h) Parking of vehicles at emergency exits should be prohibited.
- i) Waste containers of metal should be provided and placed where they will not interfere with people leaving the building in case of an emergency.
- j) No flammable liquids or waxes should be used on basketball courts. This is particularly important in the application of floor finishes.

F. Recommended Basketball Quarter Time Limits

1. Boys and Girls

- a) High School Varsity - 8 minutes - 4 minute overtime
- b) Junior Varsity - 6 minutes - 2 minute overtime
- c) Junior High - 6 minutes - 2 minute overtime
- d) 7th and 8th grades - 6 minutes - 2 minute overtime

2. By conference vote or by mutual agreement, junior varsity boys and girls and junior high boys and girls may play 7 minutes with 2 minute overtimes. By National Federation rules, periods may be less than 6 minutes in order that tournament schedules and any other situations stay on schedule. The tournament director or mutual agreement should dictate these problems.

XVIII. STATE RULES MEETING

A. State Rules Meeting Requirements for Coaches

Each head coach of all varsity teams shall attend an OSSAA state rules meeting for that sport for the current school year. If the head coach does not attend a meeting, an online rules meeting is available at www.ossaa.com. Written verification of the online rules meeting must be submitted to the OSSAA. All head coaches of fall activities must complete their state rules meeting by September 1, **all head coaches of winter activities must complete their state rules meeting by December 1st** and all head coaches of spring activities must complete their state rules meeting by March 1st. The penalty for failure to attend a state rules meeting or to complete an online rules meeting and proper documentation submitted to the OSSAA office by the prescribed deadlines, will result in the school suspending the head coach for all interscholastic competition until the coach is in compliance and proper documentation has been submitted and verified by the OSSAA.

B. Basketball Rules Meeting, 2016-17

1. October 10 – Edmond Santa Fe High School
2. October 11 - Tulsa Union UMAC
3. October 12 - Durant High School
4. October 17 - Eisenhower High School
5. October 19 - Woodward High School

XIX. A SPECIAL MESSAGE

A. To coaches, officials, and administrators.

The OSSAA Board of Directors, OSSAA staff, and the basketball coaches advisory committee would like to go on record as supporting any effort to keep our sport in proper perspective as an integral part of the education process. For this to be accomplished everyone associated with the game must contribute. Coaches must lead by limiting their sideline activity to instruction of players from the coaching box. In cases where coaches abuse the coaching box rules game officials must willingly administer the appropriate penalties. Game administrators (Superintendents, Principals, Athletic Directors) must identify and eliminate unacceptable fan and student behavior.

B. Recruiting

1. Recruiting student athletes is a violation of the OSSAA constitution and subject to severe penalty if condoned or engaged in by a member school.
 - a) RULE 9. There shall be no recruiting of athletes. Recruiting shall include influencing a pupil or his/her parents or guardian to move from one school to another in order that the pupil may engage in athletics. If this rule is violated, the pupil will not be eligible at a member school until reinstated by the Board of Directors. If school personnel condone or actively engage in recruiting, or a school uses a recruited pupil, the school shall be placed on probation or suspended. There shall be no recruiting of students by offering financial inducements or tuition waivers in order that the student may engage in activities sanctioned by the Oklahoma Secondary School Activities Association.

2. If a coach is contacted by a student, his/her parents, or anyone else regarding student athletes transferring to your district, refer them to a school administrator in your district immediately. The coach shall not discuss or even listen to matters concerning the issue. School coaches working or coaching in outside school leagues and camps should be warned that a potential problem exists if a student later enrolls at the school where the coach is employed. The school administrator, after being notified by the coach that a prospective student athlete has approached the coach about possibly playing for his/her school team, should contact the OSSAA office immediately. A coach should refrain from making any comments that could be misinterpreted concerning a student athlete transferring to your district and participating in athletics. Seriously or jokingly telling a student that you would like for that athlete to play for you or your team shall be considered recruiting. Your own student athletes should be cautioned that their school could be penalized if proven they contacted or persuaded a student to transfer to their school in order to engage in athletics. Rules regarding individuals who engage in recruiting shall not be restricted specifically to school personnel.
3. Any violations of Rule 9 should be documented and reported to the OSSAA office.
