Record all singles matches played on the same sheet (regardless of the position played). Record All doubles matches played with the same partner on the same sheet (regardless of the position played).
2. Regional tournament sites will be announced on or before March 11, 2017.
3. 2017 regional tournament assignments will be posted on the OSSAA web site (www.ossaa.com) by 4:00 p.m. on April 11.
4. All regional tournament entry forms (blank form can be found on the last page of this manual) and updated seeding information should be brought directly to the regional seeding meeting. Do not send seeding information to the OSSAA.
5. Rule on position of players:
 - a) The #1 singles player must be better than the #2 singles player.
 - b) The #1 doubles team must be better than the #2 doubles team.
 - c) The #1 player must play either #1 singles or #1 doubles.
6. The regional tournament manager will conduct a seeding meeting the morning of the tournament. The seeding meeting will be no earlier than 8:00 a.m. If there is no seeding information available or there are questionable lineups, entries will be subject to protest by participating coaches. Any protest will be decided by a majority vote of the participating coaches present at the seeding meeting.
7. The seeding information criteria to be used at each regional tournament seeding meeting will be as follows:
 - a) Direct wins will be the first criteria used. If there is an even split in direct matches, the most recent win will determine the seed. Defaults can be counted as a direct win or loss to that opponent during that match. If there is a default after that match is completed, it counts as a win to the next opponent on that day. Defaults cannot be used as an indirect or a comparative score.
 - b) Indirect wins will be the second criteria used.
 - c) Comparative scores will be the third criteria used. If two players have a common opponent and one or both have played a common opponent once and/or more than once, then the best result will be compared. Comparative wins and losses will be compared equally. A split set comparative loss is better than a two set comparative loss even if fewer games are won in the split set loss. In comparative wins, a straight set win is better than a three set win.
 - d) Competition may be considered when determining a seed, but is not required.
 - e) In regional tournament play, if the criteria in a, b, c, and d does not decide the seed, the seed will be decided by a majority vote of the participating coaches present at the seeding meeting.
 - f) Pro sets will not be used for seeding purposes.

 - e) If there is only one entry in singles or one doubles team, they must compete in the #1 bracket. **EXCEPTION:** If the regional is moved from the original date announced by the OSSAA due to weather or some other reason, then the one entry in singles or one doubles team that has been playing in the #2 bracket all year DOES NOT have to move up and compete in the #1 bracket. The coach **must** provide documentation at the regional seeding meeting that this singles player or doubles team has been playing at the #2 position for most or all of the year. The decision to allow this will be decided on by a majority vote of the coaches competing at that regional.

 - n) If a player qualifies for the state tournament and cannot participate, an alternate from the respective team's alternate list may be used. If there is no alternate listed or available, then the 5th place finisher(s) from the regional tournament event will advance to the state tournament. If the 5th place finisher(s) is or are not available then the 6th place finisher(s) from the Regional Tournament will advance.
 - o) A break may be given between sets. Coaches **only** may coach players **off-court** (meaning behind the fence or on the sides **not** on the court) during the break between sets and the 90-second time allotted for changeover. After the 1st game there is no time allotted during the changeover. Coaches may also coach **off-court** between points without interrupting the flow of play. Play should be continuous.

 - u) In Class 4A only, when the draw contains more than eight teams, all matches with the exception of the consolation and championship finals, will be played best 2 out of 3 sets (with AD) with the 3rd set being a 10 point super tie breaker.
