II. WRESTLING REGULATIONS

A. CLASSIFICATION

1. Classifications for the 2017 regional tournament competition will be based on the 2015-2016 A.D.M. sheet received from the State Department of Education. Schools participating in wrestling will be determined by those that indicate participation on their returned OSSAA Membership and Entry Fees Form. This form should be returned to the Activities Association by October 15, 2016. Classifications will not be made until November 1. Any schools dropping or adding wrestling after this date will not affect any classifications. Wrestling classifications will be reviewed once every four years by the OSSAA Board of Directors.
 - a) Class 6A will consist of the first 32 wrestling schools on the A.D.M. sheet.
 - b) Class 5A will consist of the next 32 wrestling schools on the A.D.M. sheet.
 - c) Class 4A will consist of the next 32 wrestling schools on the A.D.M. sheet.
 - d) Class 3A will consist of the remaining wrestling schools on the A.D.M. sheet.
2. Schools shall wrestle in the classification in which their A.D.M. places them.

B. SEASON AND ALLOWED SCHEDULE

1. The collegiate style wrestling (this style is sanctioned and governed by the OSSAA) season shall open on the third full weekend in November. A weekend is Thursday, Friday, and Saturday. The opening date for the 2016-2017 season will be November 17, 2016.
2. The collegiate style wrestling season for member schools, school personnel, and wrestlers shall close with the state championship tournament. An individual who has represented his school in collegiate style wrestling during the current season shall not represent his school in that sport after the season closes. Students may participate unattached and school personnel may coach.
3. Member schools shall not hold organized collegiate style wrestling practice from the beginning of the school year until October 1. No organized collegiate style wrestling practice may take place after the OSSAA sponsored state collegiate style wrestling championship tournament. Collegiate style wrestling techniques and procedures may be taught in regularly scheduled physical education classes. When there are no organized physical education classes scheduled during the school day, a school may schedule an additional class period immediately after the close of the school day. This additional class period shall be for the purpose of conducting a physical education class and shall not exceed in length, the time of a regularly scheduled period which is defined as 60 minutes. A school that is bringing its freshmen and sophomore athletes from another site may schedule its practice period immediately upon the arrival of these athletes, not to exceed in length that of a regular class period for the purpose of conducting a physical education class. The practices will be conducted by the certified school coaching staff. Any individual is limited to the maximum time of a regular class period.
4. Coaches may coach their junior high and/or high school wrestling teams in a maximum of three open collegiate style wrestling tournaments in November with no loss of school time that are sanctioned or hosted by OSSAA member schools. Individuals are not eligible to compete in open tournaments in November that are sanctioned or hosted by an OSSAA member school unless they are accompanied by a school coach. A student must be eligible under all rules and regulations of the OSSAA Administrator's Handbook in order to participate in open collegiate style tournaments that are sanctioned or hosted by an OSSAA member school during the month of November. The OSSAA will not sanction any open collegiate style tournaments

after the month of November. Any collegiate style wrestling open tournament held after November 30 and until the completion of the state wrestling tournament in which a school coach is coaching either directly or indirectly a school team or members of a school team would count against the school's and/or individual's regular season schedule. Violation of this rule could cause a student to lose eligibility and a coach to be suspended.

5. In addition to the Activities Association sponsored championship tournament series, teams and/or individuals shall be limited to 26 points. The following point system will apply to determining the team's and/or individual's point total:
 - a) All two-day tournaments will count three points and all one-day tournaments will count two points. An individual and/or team is limited to a maximum of five tournaments.
 - b) Duals will count one point.
 - c) In any multi-team competition, points will be equal to the number of duals wrestled. Example: A triangular would be worth two points and a quadrangular/festival would be worth three points.
 6. The 26 point system applies to team schedules and to each individual that wrestles. For an individual, this would include a combination of wrestling on the junior varsity and varsity teams. Ninth grade students may wrestle under the 26 point system. A ninth grade student may reach the 26 allowable points by wrestling a combination of junior high and high school events or wrestling the entire season with the high school team.
 7. A ninth grade student participating on both the junior high and high school teams cannot participate in more than three junior high tournaments.
 8. If a ninth grade student wrestles with the junior high team for the entire season, he/she will be limited to 11 duals and 3 tournaments.
 9. Generally, if the contest, meet, or tournament limits for a particular activity have been exceeded by either a school team or by individual participants from a school, the following sanctions will be applied:
 - a) The head coach in that activity shall be suspended from coaching in any regular season contests, at the same level, in the same activity, for the remainder of the current regular season and any championship play-off events for that school year.
 - b) The head coach in that activity shall be suspended from coaching any regular season contests at the same level in the same activity for one-half of the regular season the next school year.
 - c) The school will not be allowed to host any play-off contests in that activity during the school year in which the violation occurred.
 - d) The program will be placed on warning for a period of one year.
- C. WEIGHT MANAGEMENT PROGRAM AND CERTIFICATION
1. OSSAA High School Weight Management Program – In compliance with NFHS wrestling rule 1-3-1 & 2 which states: Each individual state high school association shall develop and utilize a specified weight-control program which will discourage excessive weight reduction and/or wide variations in weight, because this may be harmful to the competitor. Such a program should be planned to involve the wrestler, as well as the parents/guardians, physician and coach in establishing the minimum certified weight class. An ideal program would be one where a medical professional would assist in establishing a minimum weight class through hydration testing, body fat assessment and a monitored descent plan. Minimum body fat should not be lower than seven percent for males or 12 percent for females. For health and safety reasons, the state's weight control program shall require hydration testing with a specific gravity not greater than 1.025, which immediately precedes the body fat assessment. A minimum weight class will be determined by a body fat assessment. Any wrestler's assessment that is below seven percent for males and 12 percent for females shall have a physician's release to participate. This release shall not allow a wrestler to participate at a weight class below that for which the initial assessment allows. A program to monitor an average weight loss of 1.5 percent a week, with descent, may use the minimum weight determined by the body fat testing as the lowest weight class a wrestler may wrestle. This weight management plan should also involve a nutritional component developed at the local level.
 2. The OSSAA does not advocate that a wrestler's established minimum weight at 7% for males and 12% for females is the best weight, but simply establishes the minimum weight at which the student athlete will be allowed to compete.
 3. All wrestlers in grades 10-12 and any 9th grader that wants to participate on a high school varsity or junior varsity team must comply with the OSSAA High School Weight Management Program. A 9th grader who does not test prior to his first junior high competition (including open tournaments) is not eligible to participate on the high school varsity or junior varsity at any time during the wrestling season.
 4. Teams can begin testing on Saturday, October 22, 2016 and the last testing date will be Wednesday, February 15, 2017. All wrestlers in grades 10-12 and any 9th grader that wants to participate on a high school varsity or junior varsity team must be tested. Wrestlers must be tested at least 48 hours prior to their first competition (including open tournaments). Assessors will be using the NWCA Optimal Performance Calculator program and each wrestler's name must be listed on their school's Alpha Master form.
 5. Coaches must exchange Alpha Master forms (downloaded from the NWCA website) prior to each dual meet and must also give a copy to the tournament director prior to the beginning of each tournament including open tournaments in November that are sanctioned or hosted by an OSSAA member school. The school's Alpha Master form will have each wrestler's date of assessment, alpha weight, percent of body fat, minimum wrestling weight, minimum wrestling class, and the first date in which you can certify your minimum weight.
 6. Testing must be done prior to a wrestler working out that day.
 7. Assessors must have a medical background and be a licensed medical professional (licensed nurse, nurse practitioner, certified athletic trainer, physician, physician's assistant, physical therapist, emergency medical technician, paramedic, certified dietician, certified personal trainer) and must have completed and passed the training assessor's program to be a certified assessor. A list will be mailed in the fall to schools listing all assessors who have been trained. It is each school's responsibility to contact a certified assessor and set up a date and time to have their team tested.
 8. Certified assessors will perform the following three tasks:

- a) All wrestlers must first pass a hydration test. The test will be a urine analysis and a wrestler's specific gravity cannot exceed 1.025. The methods to determine a wrestler's specific gravity will be by reagents strip, OSSAA color chart, or a refractometer. A wrestler who fails the hydration test must wait twenty-four hours before he/she can be retested. A wrestler who fails the hydration test will not be allowed to be body fat tested.
 - b) Body fat testing will be performed by using the Lange Skin Calipers or the Tanita Bioelectrical Impedance 300WA machine. Assessors will be trained using both methods. Schools that have purchased the Tanita 300WA machine shall notify the assessor in advance that they have a Bioelectrical Impedance Machine and that they choose to use this method for body fat testing. Otherwise, the assessors will use skin calipers to determine body fat. (Note: Females will be tested using Skin Calipers since the Tanita Bio-Impedance machine has not been validated for females.)
 - c) The assessor will use the NWCA Optimal Performance Calculator Computer Program to determine a wrestler's 7% (males) or 12% (females) minimum weight and a descent plan to determine the first date at which a wrestler can certify at his/her minimum weight. The assessor shall input the data from the hydration test and body fat test within forty-eight hours of the initial assessment or the appeal assessment. Coaches will be able to access this information and download their school's Alpha Master form from the NWCA website using their assigned password.
9. A wrestler's parent or guardian must give permission and sign the "Student Data Sheet" giving a certified assessor permission to perform a hydration test and body fat analysis on the designated wrestler. Failure to submit this signature will result in the wrestler not being tested and ineligible to compete in high school wrestling.
 10. Each school shall provide two school individuals (A.D., coach, teacher, administrator) to assist the assessor with the hydration and body fat testing.
 11. Schools will be responsible for all fees incurred to administer the weight management program: Annual fee of \$30 for the use of the NWCA Optimal Calculator Program and the testing of wrestler's of up to \$8.00 each. If an assessor has to come to a school site with three or less wrestlers, the assessor can charge a flat fee of up to \$24.00.
 12. NWCA Optimal Performance Calculator Performance program will determine a wrestler's minimum weight at 7% for males and 12% for females. The calculator program will subtract a 3% variance from the minimum weight for all males at or above 7% and all females at or above 12%. Any male below 7% or female below 12% must have a release (Physician's Clearance form) from a qualified physician to participate at sub-seven or sub-twelve. The release shall not allow a wrestler to participate at a weight class below that for which the initial assessment allows. A wrestlers body weight must be equal to or no greater than three pounds from his/her original assessment when obtaining a written clearance form from a qualified physician. If not, this form will not be valid. The physician's release must be sent to the assessor who did the initial assessment and the wrestler cannot participate until his/her name is posted on the school's Alpha Master form with the "Physician Approval" statement next to his/her name.
 13. NWCA Optimal Performance Calculator Program will determine a descent plan to determine the earliest date a wrestler can certify his minimum weight. A wrestler cannot compete at his/her minimum weight before the date that is listed on their school's Alpha Master form. The descent plan is based on the wrestler's body weight at his/her initial testing and a reduction of 1.5% of his/her body weight per week until he/she reaches the minimum weight at 7% (males) or 12% (females).
 14. All wrestlers will have one opportunity to appeal their body fat assessment and minimum weight and must do so within 14 days of the initial assessment. If a wrestler's body fat test results are being appealed, the wrestler may not wrestle in interscholastic competition until the appeal results are posted on the school's Alpha Master form. A wrestler will have two options. Option A: The appeal must be made with the assessor who did the initial assessment and the same assessment method shall be used. A wrestler's body weight cannot be greater or less than 3 pounds of his/her initial assessment and if so, the appeal will not be valid and the original assessment will be used. A wrestler must also pass a hydration test before being retested. There will be a fee for retesting a wrestler. Option B: An appeal must be made through the original assessor and a wrestler can go to the certified testing center (Oklahoma University Health Science Center, Oklahoma City) and use the Bod Pod air displacement plethysmography method to determine body fat and minimum weight at 7% for males and 12% for females. A wrestler's body weight cannot be greater or less than 3 pounds of his initial assessment and if so, the appeal will not be valid and the original assessment will be used. A wrestler must also pass a hydration test before being tested. Since researchers have determined this to be one of the gold standards in measuring body fat composition, there will not be a 3% variance subtracted from the minimum weight. Again, the cost for this testing will be incurred by the school or parent at a fee of \$25.00 per wrestler and payment shall be made at the testing site.

A wrestler whose body fat is measured at sub-seven percent (males) or sub-twelve percent (females) and wishes to appeal their body fat assessment must meet the following requirement: their body weight at the appeal can be no lower than their original weight at the initial assessment and no greater than three pounds of their original weight at the initial assessment. If so, the appeal will not be valid and the original assessment will be used.

If a wrestler elects to appeal their initial assessment under option A or B, whatever the appeal assessment determines, his/her body fat and minimum weight is final. You cannot appeal a third time nor can you go back and use the initial assessment data.

15. Although it is not mandatory, it is highly recommended that each school develop a nutrition education program for wrestlers and parents. The NWCA has a free nutrition video available on their website.

16. All wrestlers (including non-starters) in grades 7-12 shall certify their minimum weight (weigh in at flat weight) between the opening of wrestling season (November 17, 2016) and January 21, 2017. This can be done at any regular season dual (approval by both school's administration, OSSAA certified official, public awareness that a match is taking place, and comply with all OSSAA and National Federation wrestling regulations), multi-dual, or tournament that is OSSAA sanctioned. Open tournaments in November will not count. A wrestler who weighs-in with a weight allowance based on National Federation Rule 4-5-5 ("When there are consecutive days of team competition, there shall be a 1-pound additional allowance granted each day for all wrestlers up to a maximum of two pounds.") is eligible to compete in that weight classification but has not certified his/her minimum weight at that classification unless he/she has weighed-in at flat weight.
17. If your last wrestling event prior to January 21 is cancelled by a school's administration due to inclement weather, a wrestler may certify his/her minimum weight at the next scheduled event.
18. A wrestler cannot certify his/her (7% male or 12% female) minimum weight until the allowable date on your school's Alpha Master form. Certification must be made at flat weight. Once you certify your minimum weight, you can only weigh-in one weight class above your minimum weight and still keep that minimum weight. A wrestler who weighs in at any time more than one weight class above his/her minimum weight, his/her minimum weight will move up accordingly.
19. A wrestler who is on a descent plan to certify his/her minimum weight and at any time weighs in two weight classes above a previous weigh-in, his/her descent plan would stop and his/her minimum weight would be established. (Example: Your descent plan allows you to go from your alpha weight of 145 to your minimum weight of 126. You weigh-in at 145 and then 138 and then 132 and before you get to your minimum weight of 126, you weigh-in at 145. At this time, your descent plan would stop and your minimum weight would be 138 pounds. You have weighed in two weight classes above your lowest weight during your descent plan.)
20. A wrestler who was not able to certify his/her minimum weight by January 21 may do so only after the school has received written approval from the OSSAA because of injury, illness, or some other unusual circumstance that prevented him from doing so. School administrators shall make their request in writing to the OSSAA and explain their circumstance.
21. Any wrestler who is tested prior to January 21 and whose calculator plan won't allow them to descend to their minimum weight until after January 21 would not have to apply for an exception. However, they must make flat weight at the first opportunity during the week the calculator plan allows them and after that they would receive the two pound growth allowance.
22. A wrestler, whose calculator plan will not allow them to descend to their minimum weight until after January 21 must make flat weight the first time they weigh-in for a new weight classification. (Cannot use the growth allowance when descending to his/her minimum weight the first time they weigh-in for a new weight classification.)
A wrestler whose calculator plan will not allow them to descend to their minimum weight until after January 21, then at some point chooses to discontinue his/her descent plan, their minimum weight would be the weight classification they certified by January 21. (Exception: A wrestler would be able to certify his minimum weight after January 21 based on his/her weekly descent plan and must make flat weight at the first opportunity during the week the calculator plan allows them.)
23. A wrestler who has tested and his/her calculator plan will not allow him/her to descend to their minimum weight until after the week of the regional tournament will determine his/her minimum weight by using the 1.5% weekly descent plan from the date of the initial assessment to the week of the regional tournament.
24. If a wrestler weighs-in at a dual meet or tournament one weight class above his certified minimum weight, it will not change his minimum weight. If a wrestler weighs-in one weight class above his minimum weight and then wrestles one weight class above that (National Federation Rule 4-4-2: "A contestant shall not wrestle more than one weight class above that class for which his actual weight, at the time of weigh-in, qualifies him.") he still has not changed his minimum weight certification. Any changes in weight certification shall be immediately reported to the OSSAA office.
25. A certification form (located in this manual) shall be mailed (**not faxed**) to the OSSAA office by January 25, 2017 listing all wrestlers (**including non-starters**) in high school and/or junior high in grades 7-12.
26. A two pound growth allowance will go into affect for all high school and junior high wrestlers on January 1 and will continue for the remainder of the wrestling season. When the two pound growth allowance is in effect, all weight classifications will change by two pounds and all weigh-in regulations will apply.
27. A weigh-in is defined as one in which a wrestler makes weight, is in uniform for a match, and is eligible to compete in all respects. A wrestler meeting the definition of a weigh-in would count this against his individual season limitation regardless of whether he participates or not.
28. The regional verification form shall be provided to the regional tournament manager verifying all regional participants minimum certified weight upon arriving at the regional site for the seeding meeting. Coaches who chose not to attend the regional seeding meeting shall mail or fax their regional verification form to the tournament manager prior to the seeding meeting. **Any school failing to provide the regional verification form shall not be allowed to participate in the regional tournament.** Also included on the form will be a place to list the date and site of each participant's season weigh-ins and the weight classification in which he/she was eligible to wrestle. The form must be signed by the high school principal and wrestling coach. Inaccurate information could cause a student to be ineligible for the regional wrestling tournament.
29. Any ninth grade wrestler that is wrestling on both the junior high and high school wrestling team must adhere to the High School Weight Management Program (see number three from above). A ninth grader will have two minimum weights, one in junior high and one in high school. His/her junior high minimum weight will be the junior high weight class that is directly above the minimum wrestling weight on the high school's alpha master list. (Example: His minimum weight at 7% is 131 pounds. His minimum weight would be 134 on junior high and 132 on high school.) A wrestler shall not wrestle at their minimum weight in junior high until the first allowable date on the high school's Alpha Master form. Junior high weigh-ins will not affect his/her minimum weight in high school and vice versa. A ninth grader who tests prior to his/her first competition and does not wrestle or weigh-in at a high school match by January 21 must weigh-in at flat weight at a junior high match to certify his/her high school minimum weight. (Example: His/her minimum weight at 7% (males) or 12% (females) on the high school's Alpha Master form is 139 pounds. His/her minimum weight is 145 on high school and 142 on

junior high. The wrestler must weigh-in at 145 at a junior high meet or tournament by January 21. This weigh-in must be documented and kept by the high school coach.)

30. All seventh, eighth, and ninth grade wrestlers (including non-starters) shall certify their minimum weight (weigh in at flat weight) between the opening of wrestling season (November 17, 2016) and January 21, 2017. This can be done at any regular season dual (approval by both school's administration, OSSAA certified official, public awareness that a match is taking place, and comply with all OSSAA and National Federation wrestling regulations), multi-dual, or tournament that is OSSAA sanctioned. Open tournaments in November will not count. A wrestler who weighs-in with a weight allowance based on National Federation Rule 4-5-5 ("When there are consecutive days of team competition, there shall be a 1-pound additional allowance granted each day for all wrestlers up to a maximum of two pounds.") is eligible to compete in that weight classification but has not certified his/her minimum weight at that classification unless he/she has weighed-in at scratch weight. Once a wrestler certifies their minimum weight, they can only weigh-in one weight class above their minimum weight and still keep that minimum weight. Any time a wrestler weigh-ins two weight classes above a previous weigh-in, his minimum weight will move up accordingly and he/she cannot go back down.

D. REGIONAL AND STATE TOURNAMENTS

1. The following dates will apply to 2017 regional and state tournaments:
 - a) Regional tournaments will be held February 17-18, 2017. Any school interested in hosting a regional tournament for the current school year should send a letter to the OSSAA signed by the athletic director or principal by December 1. Schools hosting a regional tournament must comply with National Federation Rule 2-1-2 and use wrestling mats that have a circular wrestling area with a minimum of 28 feet in diameter.
 - b) The state tournament will be held February 24-25, 2017 at the State Fairgrounds Arena in Oklahoma City. All four classes will wrestle at the same time.
2. At the regionals and individual state tournament, wrestlers will not have the option of weighing-in the night before (see II-J-2).
3. Spirit signs and school banners are not allowed to be hung at the regional sites and at the State Fairgrounds Arena.
4. The OSSAA reimbursement claim form (sent out with the regional information packet) is to be filled out and sent to the Activities Association immediately following the state tournament. The amount of reimbursement will be determined at the June OSSAA Board of Directors meeting.
5. The Activities Association will attempt to balance regional tournament strengths when geographics allow.
6. Two regional tournaments will be held in each class, with the top four finishers in each weight classification qualifying for the state tournament.
 - a) In the regional tournament a consolation match for fifth and sixth place will be wrestled. There will be no medal given for the winner of fifth place. Fifth place winners will qualify for the state tournament if one of the top four (1-4) regional place-winners cannot participate because of an injury, illness, academic ineligibility, flagrant misconduct disqualification, etc. It is the coaches/schools responsibility to immediately notify the Activities Association if one of their wrestlers cannot compete in the state tournament due to injury, illness, academic ineligibility, flagrant misconduct disqualification, etc. The OSSAA will then notify the coach or school of the fifth place regional winner in that weight class and that wrestler will compete in the state tournament. Coaches who fail to notify the Activities Association immediately after learning one of their wrestlers cannot compete in the state tournament will be assessed a penalty by the OSSAA Board of Directors and possibly forfeit their right to coach in the state tournament. **Note:** A fifth or sixth place regional winner will not replace one of the top four (1-4) regional place-winners who fails to make weight at the first weigh-in of the state wrestling tournament.
 - b) On the state tournament bracket at a non-option weight, if one of the regional placers (1-4) cannot participate due to academic ineligibility, injury, illness, flagrant misconduct disqualification, etc., each contestant will move up one place (unless the coach chooses not to) from that regional and insert the fifth place qualifier in the fourth place or open slot.
 - c) On the state tournament bracket at an option weight, if one of the regional placers (1-4) cannot participate due to academic ineligibility, injury, illness, flagrant misconduct disqualification, etc., each contestant will move up one place (unless the coach chooses not to) from that regional and insert the fifth place qualifier in the third place or open slot. The fourth place option qualifier would stay on the bracket where he chose. If the fourth place option qualifier is the contestant that needs to be replaced, the wrestler who originally placed fourth from that regional would move back from the third place slot to the fourth place slot. Each contestant would then move up one place (unless the coach chooses not to) from that regional and insert the fifth place qualifier in the fourth place or open slot.
 - d) A sixth place finisher from the regional tournament would qualify for the state wrestling tournament if there were two open slots from the regional tournament (one of the top four (1-4) regional place-winners cannot participate because of an injury, illness, academic ineligibility, flagrant misconduct disqualification, etc.) or the fifth place finisher cannot participate due to injury, illness, academic ineligibility or declines to participate.
7. At the regional tournament, team points for 5th and 6th place will be given.
8. Regional tournament brackets: When the number of competitors is not a power of 2, that is 4, 8, and 16, there shall be byes in the first round. The number of byes shall be equal to the difference between the number of competitors and the next higher power of 2 (Exception: When the number of competitors is more than sixteen, a sixteen man bracket shall be used with pigtail bracketing). There shall be no byes after the first round of competition in the championship bracket or the second round of the consolation bracket, and no further drawing is necessary for championship or consolation rounds. When byes are required for the first round, they shall be placed by mutual consent or drawn so they are distributed evenly throughout the bracket. No quarter-bracket or half -bracket shall have more than one bye in excess of its paired bracket. After seeded wrestlers have been placed on the bracket and the byes drawn, remaining wrestlers shall be placed by draw. **NOTE:** In a sixteen man bracket where pigtail bracketing is required, wrestlers in all pigtail matches including consolation pigtail matches will not receive advancement points but will receive bonus points. When pigtail bracketing is required all wrestlers shall have an opportunity to be drawn for pigtail matches.

9. At the regional tournament, the seeding meeting will begin at 6:30 p.m. on Thursday evening and coaches shall send a tentative regional line-up sheet to the regional manager by Wednesday of that week. The regional wrestling verification form must be completed and provided to the tournament manager upon arrival at the regional site for the seeding meeting. Coaches who chose not to attend the regional seeding meeting shall mail or fax their regional verification form to the tournament manager prior to the seeding meeting. Any school failing to provide the regional verification form shall not be allowed to participate in the regional tournament. The weigh-in on Friday will begin at 10:00 a.m. First session will begin at 12 noon.
10. At the regional seeding meeting Thursday night, brackets are to be drawn and a copy given to each head coach.
11. A minimum of 45 minutes of rest between matches must be granted wrestlers.
12. The regional and state tournaments will have a consolation bracket to determine third and fourth places. It may be necessary for contestants to wrestle each other the second time for third place.
13. There will be no challenges for second place at the regional and state tournaments.
14. At the regional tournament first round consolation matches through the consolation quarter-final matches will consist of three periods. The first period will be one minute, the second and third period will be two minutes each.
15. At the regional tournament, semi-final and final consolation matches will consist of three periods. Each period will be two minutes.
16. All matches at the State Tournament will consist of three periods. Each period will be two minutes.
17. The number of officials for regional tournaments will be one greater than the number of mats being used. In the regional tournament finals, two officials per match may be used. In the state tournament, two officials shall be used in each match.
18. In the state tournament, regional winners will be placed on the championship bracket in the following order: E1-W4; W2-E3; W1-E4; E2-W3. The coach can be reinstated after verification of his/her completion of the course and any sit-out time that is required by OSSAA rules.
 - 4. Unsportsmanlike conduct by a wrestler prior to or after the conclusion of wrestling, results in the deduction of 1-team point for the first offense. On the second offense the individual will be removed from the premises for the remainder of the event and an additional 2-team point deduction. These penalties carry over in a multiple day event.
 - 5. Unsportsmanlike conduct of coaches and other team personnel that occurs before, during, or after a contest results in the deduction of 1-team point for the first offense. On the second offense the individual will be removed from the premises for the remainder of the event and an additional 2-team point deduction. These penalties carry over in a multiple day event.
 - 6. Misconduct of a coach results in a warning for the first offense, the deduction of 1-team point for the second offense, and removal from the premises for the remainder of the day of the head coach and a 2-point team deduction for the third offense. The penalty sequence starts anew each day.
 - 7. Flagrant misconduct before, during, or after a match by a wrestler results in disqualification of the individual, immediate removal from the premises and the deduction of three team points on the first offense. Any contestant so disqualified in tournament competition is not entitled to any points that he has earned previously in the tournament. All advancement points, fall points, placement points, etc. are negated. There shall be no shifting of positions to fill the vacated place. In dual meet competition, any team points earned shall be negated. Flagrant misconduct will disqualify any individual from the remainder of a multiple school event or a tournament. Injuries have occurred because of fans climbing over walls and fences, being trampled, or partaking in dog-pile celebrations, etc. at the conclusion of a contest. The celebration by fans, players, or coaches acting in an unsportsmanlike manner (example: pouring water on the coach) after a contest will result in possible penalties imposed against the school. School administrators should be aware that if their student body and fans come onto the playing area after a contest, penalties may be imposed.

Any substitute or team member who leaves the team bench (football player leaving the team box, baseball or softball player leaving the dugout, basketball player or wrestler leaving the team bench, etc.) and enters the playing area during a fight or any other serious unsportsmanlike act, shall be ejected. Those players or team members identified by game officials, school

administrators, or video tape will be suspended a minimum of one game if they were not involved in the altercation and a minimum of two games (exception: soccer) if they were involved in the altercation. This rule applies to both regular season and play-off games. The suspension applies to individuals/team on the same level of competition; i.e., varsity to a varsity game, junior varsity to a junior varsity game, etc. Any additional penalties by the National Federation Wrestling Rule Book and the OSSAA Rules and Regulations Handbook would also apply. The rule would apply to all OSSAA sponsored activities. Any student involved directly or indirectly for fighting or any other serious unsportsmanlike act a second time during the season shall be suspended for the remainder of the season.

11. A student or coach who is disqualified or removed from the premises for flagrant misconduct in a multi-team event or a dual team tournament is disqualified or removed from the premises for the remainder of the event. 4. Coaches may coach their junior high and/or high school wrestling teams in a maximum of three open collegiate style wrestling tournaments in November with no loss of school time that are sanctioned or hosted by OSSAA member schools. Individuals are not eligible to compete in open tournaments in November that are sanctioned or hosted by an OSSAA member school unless they are accompanied by a school coach. A student must be eligible under all rules and regulations of the OSSAA Administrator's Handbook in order to participate in open collegiate style tournaments that are sanctioned or hosted by an OSSAA member school during the month of November. The OSSAA will not sanction any open collegiate style tournaments after the month of November. Any collegiate style wrestling open tournament held after November 30 and until the completion of the state wrestling tournament in which a school coach is coaching either directly or indirectly a school team or members of a school team would count against the school's and/or individual's regular season schedule. Violation of this rule could cause a student to lose eligibility and a coach to be suspended.
- D. **WEIGHT CLASSIFICATIONS FOR JUNIOR HIGH WRESTLING**
 1. Junior high school weights will be the following: 80, 89, 98, 106, 113, 120, 126, 132, 140, 150, 162, 175, 200, 285.
 2. A wrestler participating in the 285 pound weight class may not weigh 175 pounds or less.
- E. **TIME PERIODS FOR JUNIOR HIGH WRESTLING**
 Junior high time periods for a regulation match, championship side and consolation finals of a tournament will be 2 minutes – 1 1/2 minutes – 1 1/2 minutes. Time periods for the consolation side of a tournament will be 1 minute – 1 1/2 minutes – 1 1/2 minutes. Overtime time matches, in tournaments and dual meets will follow the NFHS wrestling rules book prescribed overtime regulations.
- F. **FLAT WEIGHT OR SCRATCH WEIGHT**
 Flat or scratch weight will be used for all weigh-ins (prior to January 1 and afterwards a two pound growth allowance will be added to each weight classification for all wrestlers in grades 7-12) except for Rule 4-5-5 of the National Federation Wrestling Rule Book. It says, "When there are consecutive days of team competition, there shall be a one-pound additional allowance granted each day for all wrestlers. In order to be granted this one-pound additional allowance, a minimum of 48 hours advance notice is required for your opponent(s)." This will apply to both high school and junior high competition. **COACHES WILL NOT BE ALLOWED TO GIVE WEIGHT ALLOWANCES BASED ON MUTUAL AGREEMENT.**
- G. **WEIGHT MANAGEMENT PROGRAM AND CERTIFICATION**
 1. All seventh, eighth, and ninth grade wrestlers (including non-starters) shall certify their minimum weight (weigh in at flat weight) between the opening of wrestling season (November 19, 2015) and the third Saturday of January. This can be done at any regular season dual (approval by both school's administration, OSSAA certified official, public awareness that a match is taking place, and comply with all OSSAA and National Federation wrestling regulations), multi-dual, or tournament that is OSSAA sanctioned. Open tournaments in November will not count. A wrestler who weighs-in with a weight allowance based on National Federation Rule 4-5-5 ("When there are consecutive days of team competition, there shall be a 1-pound additional allowance granted each day for all wrestlers up to a maximum of two pounds.") is eligible to compete in that weight classification but has not certified his/her minimum weight at that classification unless he/she has weighed-in at scratch weight. Once a wrestler certifies their minimum weight, they can only weigh-in one weight class above their minimum weight and still keep that minimum weight. Any time a wrestler weigh-ins two weight classes above a previous weigh-in, his minimum weight will move up accordingly and he/she cannot go back down.
 2. If your last wrestling event prior to January 21 is cancelled by a school's administration due to inclement weather, a wrestler may certify his/her minimum weight at the next scheduled event.
 3. All wrestlers in grades 10-12 and any 9th grader that wants to participate on a high school varsity or junior varsity team must comply with the OSSAA High School Weight Management Program. A 9th grader who does not test prior to his first junior high competition (including open tournaments) is not eligible to participate on the high school varsity or junior varsity at any time during the wrestling season. (For complete information on a 9th grader to be eligible to participate on a high school varsity or junior varsity team and meet the OSSAA Weight Management Program guidelines, refer to II-D of the OSSAA Wrestling Manual.)
 4. Any ninth grade wrestler that is wrestling on both the junior high and high school wrestling team must adhere to the High School Weight Management Program. A ninth grader will have two minimum weights, one in junior high and one in high school. His/her junior high minimum weight will be the junior high weight class that is directly above the minimum wrestling weight on the high school's alpha master list. (Example: His minimum weight at 7% is 131 pounds. His minimum weight would be 134 on junior high and 132 on high school.) A wrestler shall not wrestle at their minimum weight in junior high until the first allowable date on the high school's Alpha Master form. Junior high weigh-ins will not affect his/her minimum weight in high school and vice versa. A ninth grader who tests prior to his/her first competition and does not wrestle or weigh-in at a high school match by January 21 must weigh-in at flat weight at a junior high match to certify his/her high school minimum weight. (Example: His/her minimum weight at 7% (males) or 12% (females) on the high school's Alpha Master form is 139 pounds. His/her minimum weight is 145 on high school and 142 on junior high. The wrestler must weigh-in at 145 at a junior high meet or tournament by January 21. This weigh-in must be documented and kept by the high school coach.)
 5. A wrestler who was not able to certify his/her minimum weight by January 21 may do so only after the school has received written approval from the OSSAA because of injury, illness, or some other unusual circumstance that prevented him from doing so. School administrators shall make their request in writing to the OSSAA and explain their circumstance.
 6. If a wrestler weighs-in at a dual meet or tournament one weight class above his certified minimum weight, it will not change his minimum weight. If a wrestler weighs-in one weight class above his minimum weight and then wrestles one weight class

above that (National Federation Rule 4-4-2: "A contestant shall not wrestle more than one weight class above that class for which his actual weight, at the time of weigh-in, qualifies him.") he still has not changed his minimum weight certification. Any changes in weight certification shall be immediately reported to the OSSAA office.

7. A certification form (located in this manual) shall be mailed (**not faxed**) to the OSSAA office by January 25, 2017 listing all wrestlers (**including non-starters**) in high school and/or junior high in grades 7-12.
 8. A two pound growth allowance will go into affect for all high school and junior high wrestlers on January 1, 2017 and will continue for the remainder of the wrestling season. When the two pound growth allowance is in effect, all weight classifications will change by two pounds and all weigh-in regulations will apply.
 9. A weigh-in is defined as one in which a wrestler makes weight, is in uniform for a match, and is eligible to compete in all respects. A wrestler meeting the definition of a weigh-in would count this against his individual season limitation regardless of whether he participates or not.
- H. **WEIGH-IN PROCEDURE FOR DUAL MEETS AND TOURNAMENTS**
1. NF Rule 4-5-1: Contestants, of the same gender, shall have the opportunity to weigh in, shoulder-to-shoulder, a maximum of 1 hour before the time a dual meet, or a team's first competition in multiple dual meet event is scheduled to begin. When a preliminary meet is followed by a varsity meet weigh-ins may, by mutual consent, precede the preliminary meet.
 2. NF Rule 4-5-2: Contestants of the same gender shall have the opportunity to weigh in shoulder-to-shoulder at the tournament site a maximum of 2 hours before the first session of each day.
 3. NF Rule 4-5-3: For any event, all contestants shall be present in and remain in the designated weigh-in area at the time established by the meet administration. Contestants shall not leave the designated weigh-in area unless permission is granted by the meet administration. Dual meet weigh-in shall proceed through the weight classes beginning with the random draw selected weight, continue through the weight classes, wrap around 80 weight class and end immediately upon the completion of the highest weight class in consecutive order. When all wrestlers for a weight class have had an opportunity to weigh-in and the next class is called, that weight class is closed. Tournament weigh-in may proceed by team(s) with the lowest weight class to the highest and end immediately upon the completion of the highest weight class. A contestant shall weigh in for only one weight class during the weigh-in period. If only one scale is available, a contestant may step on and off that scale two times to allow for mechanical inconsistencies in the scale. If multiple scales are available, a contestant may step on and off the first scale two times to allow for mechanical inconsistencies in that scale. If the contestant fails to make weight on the first scale, the contestant shall immediately step on each available scale one time in an attempt to make weight. During time off the scale(s), activities that promote dehydration are prohibited.
 4. All contestants (male and female) shall weigh-in wearing a suitable undergarment that completely covers the buttocks and the groin area. Female contestants must also wear a suitable undergarment that covers their breasts. Any contestant, who has been authorized to wear an artificial limb, shall weigh-in with the artificial limb.
 5. The above weigh-in regulations apply to all junior high and high school duals, festivals, and tournaments that are sanctioned or hosted by an OSSAA member school including open tournaments in November.
- I. **GENERAL INFORMATION**
1. All regular season intrastate wrestling tournaments and multi-duals (triangulars and festivals) where participants are in grades 7-12 that are scheduled during the weekday in which one or more schools are in session, shall not begin before 12 noon.

V. OKLAHOMA DUAL TEAM CHAMPIONSHIP FORMAT

A. DIVISION OF SCHOOLS

1. There will be four classes of competition. Wrestling districts will be classified for a two year period using the most current A.D.M. available.
NOTE: Classifications for the 2015-2016 and 2016-2017 dual state districts were based on the 2013-2014 A.D.M. sheet.
2. Each class (6A, 5A, 4A, and 3A) will have eight districts.
3. In Class 3A, district duals will only count three points against the season schedule.
4. Each team in a district will be required to wrestle a dual against other district teams. This may be done through duals or other multi-team competition. All district duals shall be completed by January 26, 2017.
5. The first place team (best won-lost record) in each district will advance to the dual state championship tournament.
6. The OSSAA has an on-line ranking program for use by school administrators, coaches, and the general public. The program is accessible at the OSSAA website (www.ossaa.com).

For the sports of Football, Fall Baseball, Spring Baseball, Basketball, Fast-Pitch Softball, Slow-Pitch Softball, Volleyball, Soccer, Wrestling (all match scores and team results of invitational tournaments) and Golf (team score), it is mandatory that results from each regular season contest be entered into the ranking program within 24 hours of the conclusion of the contest throughout the season. Once any athletic activity, with the exception of Cross Country, Swimming, Track and Field, and Tennis, enters the play-off series for that activity, those results must also be entered within 24 hours of the conclusion of the play-off contest.

Any coach failing to report the score within 24 hours of the conclusion of a contest will initially be notified in writing of his or her failure to comply by OSSAA Staff. A copy of that correspondence will be sent to the coach's school administrator as well. A second incident of failure to report will result in the coach being placed on warning for a period of one year. A third, and each subsequent failure to report will result in the suspension of the coach for the next contest.

7. Teams that have qualified for the Dual State Wrestling Championships should fax their seeding information form (mailed with dual state information in January) to the OSSAA by February 2, 2017.

B. 2017 DUAL STATE CHAMPIONSHIP FORMAT

 2. All participants must weigh-in at the designated time for their dual and at the designated site.
 3. Weigh-ins for Dual State will take place by weight classes and not by team.
 4. Dual meet weigh-in shall proceed through the weight classes beginning with the random draw selected weight, continue through the weight classes, wrap around 106 class and end immediately upon the completion of the highest weight class in consecutive order.
 5. The mat officials assigned by the OSSAA may conduct the weigh-ins. If not, a neutral party should be present to conduct the weigh-ins. If it is not possible to have a neutral party available, a district administrator (principal or athletic director) should be present to conduct the weigh-ins.
 6. There will not be a weight allowance for the Dual State Championships except for the two pound growth allowance.
 7. Dual State is a post-season state championship event and the weight certification rule will be in effect which states, "Once you certify your minimum weight, you can only weigh-in one weight class above your minimum weight and still keep that minimum weight. A wrestler who weighs in at any time more than one weight class above his/her minimum weight, his/her minimum weight will move up accordingly."
 8. Random draw of weight classes to determine the beginning of a dual at Dual State will be drawn at the OSSAA office for each day of competition. Any subsequent dual meet shall begin one weight class beyond the starting class of the previous.
- D. SEEDING AND BRACKETING OF DUAL STATE CHAMPIONSHIPS
1. The seeding criteria for the Dual State Wrestling Championships will be as follows:
 - a. Head to Head Competition. (Teams that have tied during the regular season will use the tie breaker criteria. If two teams have evenly split wins (one-one, two-two, etc.) during the season, the last match wrestled will count towards a team's won-loss record.)
 - b. Record against common opponent.
 - c. OSSAA Rankings.
 - d. Tournament placings at the same tournament after January 1st.
 - e. Coaches/OSSAA committee.
 2. A committee selected by the president of the Oklahoma Wrestling Coaches' Association will assist the OSSAA in seeding the Dual State Championships, if needed. Members of this committee will consist of two representatives from each class. One representative will be from the west and the other from the east. A committee member's team may not be participating in the Dual State Championships.
 3. The bracket for each class of the Dual State Championships will be bracketed as follows:
 - a. The winners of districts 1, 2, 3, and 4 will be seeded.
 - b. The winners of districts 5, 6, 7, and 8 will be seeded.
 - c. Seeds will be placed on the bracket as follows:
 - d. W1 - E4; E2 - W3 (top of bracket)
 - e. E1 - W4; W2 - E3 (bottom of bracket)
- E. CRITERIA FOR SETTLING TIES IN A DUAL MEET AND TIES IN THE DUAL STATE DISTRICT TEAM STANDINGS
1. In dual meet competition, if teams have identical scores, the following team tie-breaking system shall be used to determine the winner.
 - a. The team whose opposing wrestlers or team personnel has been penalized the greater number of team points for flagrant misconduct or unsportsmanlike conduct shall be declared the winner.
 - b. The team whose opposing head coach has been penalized the greater number of team points for coach misconduct shall be declared the winner.
 - c. The team whose opposing wrestlers were penalized the greater number of match points for unsportsmanlike conduct during a match shall be declared the winner.
 - d. The team having won the greater number of matches (including forfeits) shall be declared the winner.

- e. The team having accumulated the greater total number of falls, defaults, forfeits and disqualifications shall be declared the winner.
 - f. The team having the greater number of technical falls shall be declared the winner.
 - g. The team having the greater number of major decisions shall be declared the winner.
 - h. The team having the greater number (total match points) of first-point(s) scored shall be declared the winner.
 - i. The team having the greater number of points for near-falls shall be declared the winner.
 - j. The team having the greater number of takedowns shall be declared the winner.
 - k. The team having the greater number of reversals shall be declared the winner.
 - l. The team having the greater number of escapes shall be declared the winner.
 - m. The team whose opponent has been penalized the greater number of points for stalling shall be declared the winner.
 - n. The team whose opponent has been warned more often for stalling shall be declared the winner.
 - o. The team whose opponent has the greater number of penalties for all other infractions (i.e. false starts) shall be declared the winner.
 - p. If none of the above resolves the tie, a flip of a disk will determine the winner.
- Upon determining the winning team by use of the tiebreaking system, a single team point shall be added to the prevailing team. The method of recording the score in breaking team ties shall be the score followed by the letter of the criterion that broke the tie (e.g. Team A-16; Team B-17, criterion e).
2. If two teams are tied in the dual state district team standing, the team that won over the other team shall be the district champion.
 3. If three or more teams are tied in the dual state district team standing, the following criteria will be used:
 - a. Begin with the tiebreaking criteria listed in V-E-1, use only the matches wrestled among the tied teams.
 - b. Begin with the first criteria among the tied teams, if you do not have a winner, only the teams tied with this criteria will advance on to the next criteria. (Example: Team A – penalized zero team points for flagrant or unsportsmanlike conduct; Team B – penalized zero team points for flagrant or unsportsmanlike conduct; Team C – penalized zero team points for flagrant or unsportsmanlike conduct; Team D – penalized one team point for unsportsmanlike conduct. Teams A, B, and C are all tied on criteria a. and will advance to criteria b. Team D drops out of the tiebreaking process.)
 - c. Anytime the tiebreaking criteria reduces the number of teams tied to two, the team that won over the other team shall be the district champion.
- F. FORFEIT POLICY
1. If the first place finisher from a dual state district decides not to participate in the dual state tournament, they will not be allowed to enter regional tournament competition.
 2. If the first place finisher from a dual state district intentionally violates the spirit of the sport of wrestling by sending a junior varsity team or a junior varsity/varsity team to the dual state tournament, the team or individual(s) will not be allowed to enter regional tournament competition.
 3. Teams forfeiting a district dual will count a loss on their team record and a point against their team schedule. They will also forfeit the right to compete for the district championship. A team receiving a forfeit will count a win on their team record and a point against their team schedule.
- G. AWARDS
1. Each dual district champion will receive a championship plaque.
 2. The runner-up and championship teams of the Dual State Tournament will receive an appropriate trophy. The championship and runner-up coaches will receive a coach's achievement plaque.
- H. FINANCIAL ARRANGEMENTS
- The Activities Association will send all needed information to each dual state site. This information will include admission prices (\$7.00 for adults and students), tickets, and complimentary pass regulations.
