ARE YOU LOOKING FOR AN ENGAGING TEACHING TOOL?

Even the best teachers are challenged with keeping students focused. ZeeCraft Quiz Bowl Products can add fun to the classroom and promote student engagement.

Teachers at all levels have witnessed the practical use and applicability of classroom quiz bowl for reviewing information and measuring students' retention of material for tests and exams.

Energize your classroom with ZeeCraft

In the quiz bowl world, there are two kinds of systems:

- 1) computer-based
- 2) stand-alone

At ZeeCraft, we offer both options in wired or wireless formats.

Classroom
Review
in a Fun,
Game Show
Format!

1) The Challenger PC and the NEW Challenger Mac are the best computer-based, easiest to set up and use systems on the market. They feature:

- Large display, clock and scoring by team or individual
- Set-up names, sound effects, timing and scoring on a single screen
- Supported by industry pioneer H-ITT's classroom response technology – a proven assessment tool
- An 8-player system is just \$375

Introducing the
Challenger Mac
- available with the
same features and
at the same cost as
the PC system.

2) Challenger Series (I, II or III) is extremely portable, sets up in seconds and requires no computer (the stand-alone option). It features:

- Involve your entire class - play up to 48 players
- Three different models - pick the options that meet your classroom needs

ZeeCraft Tech

Great for Quiz Bowl Competition and Classroom Assessment in a Game Show Format

Classroom games can create a positive and interactive learning experience and reduce the stress sometimes associated with learning. They also have the ability to focus attention and keep curious minds interested in your lesson content.

Like game shows, quiz bowl can link strong emotion and memory to increase retention of information. And because students are having fun, they don't necessarily realize they are learning in the process.

Ask about funding sources, grant writing tips and federally funded educational programs!

ZeeCraft Tech manufactures quality quiz bowl equipment and accessories, and

has been proudly serving the scholastic market since 1975. We strongly believe in the positive effects of quiz bowl equipment as a learning tool at all levels — ask us how we can help.

Affordable engagement and achievement!

I am Professor Z, a quiz bowl expert and spokesperson for ZeeCraft. With a Masters in Quizbowlology and three Doctorates in Quick Recall and Class and Lesson Review, I help teachers use quiz bowl equipment to make reviewing educational material FUN!
