

Folks,

I have been receiving numerous emails about this company, <https://www.longballbats.com> that offers heated bat rolling services for \$40.00. Please note that this is one of many websites that offer this type of service. However, this is one of the more brazen of companies that readily admits to altering baseball and softball bats. The purpose of this note is to make you aware of such services and hopefully educate your schools about the perils of utilizing such groups. The NFHS Baseball Rules Committee will discuss this when we meet in June to see what else we can do. I wish you a Happy Holidays. Please reach out to me if you need anything from our office. Thanks again.

Elliot
