1. OSSAA rules require cheer and spirit performances shall be in accordance with safety standards prescribed by the National Federation High School Spirit Rules.
2. School participants must comply with the OSSAA Contest Rules.

G. ADDITIONAL SAFETY PROCEDURES

To ensure that the safety of participants is not compromised due to limited number spotters available to travel with a school team, and to promote a higher level of safety for competing participants, the OSSAA will provide additional spotters only on the performance floor at the state competition. Schools may also provide additional spotters in warm up areas only.

Definition of Additional Spotter: Individuals on the competition floor provided as a safety precaution to spot specific elements of a routine. To provide the safest competitive environment, teams should not attempt skills beyond their ability level.

OSSAA competition will provide additional spotters that follow the listed guidelines:

1. Will be used during the stunt or pyramid sections only. Additional spotters are present for added safety and will stand at the back of the floor when not spotting those sections.

2017 GAME DAY STATE CHAMPIONSHIPS

RULES AND REGULATIONS

2. Will not touch, assist, or save skills being performed. Additional spotters will only be used to prevent a fall to the competition floor.
3. Will be dressed so that they are presentable, professional, and distinguishable from the performing athletes.
4. Will be identified by experience and be familiar with spotting cheerleader skills.

H. NOISEMAKERS/SIGNS – For indoor activities: Other than those intended for the facilitation of the event, boom boxes or any type of device that plays music, sounds, or voices, and noise makers of any kind such as air horns, cow bells, etc. will not be allowed to function/operate.

II. PERFORMANCE CRITERIA

Teams will be evaluated on their ability to lead the crowd, proper skill incorporations and performance, motions, dance and overall routine. Game Day practicality is heavily emphasized. Performances should be prepared as they would for sideline leading at a school sporting event.

A. GAME DAY ROUTINES

The competition will consist of three categories. There should be no “organized” entrances when taking the floor for any of the performances. Crowd-leading tools will not be “preset” but instead taken to the floor with the team when announced.

1 - Band Dance:

- Marching band music or drum cadence performance that encourages crowd interaction
- PRELIMINARY competition - teams will be announced, take the floor, with timing beginning with the first beat of music or organized movement
- One minute time LIMIT
- No stunts or tumbling are permitted in this section. Jumps and kicks are allowed

2 - Crowd Leading:

- Sideline cheerleading that engages crowd response
- PRELIMINARY competition - teams will take the floor at the sound of a BUZZER. Timing begins when the buzzer sounds and teams are encouraged to lead the crowd as they take the floor and continue the crowd-leading section
- One minute time LIMIT
- There will **not** be a buzzer to signify the end of this section
- Skill restrictions:
 - No basket, sponge or elevator tosses allowed (cradles are considered dismounts, not tosses). Coed and “quick” tosses are permitted.
 - No inversions
 - No twisting dismounts from stunts
 - Single-leg extended stunts are limited to liberties and liberty hitches
 - No running tumbling
 - Standing tumbling is limited to one tumbling skill at a time. A back tuck is the most elite standing tumbling skill allowed.

2017 GAME DAY STATE CHAMPIONSHIPS

RULES AND REGULATIONS

3 - Fight Song:

- Traditional school fight song performed to recorded marching band music
- PRELIMINARY competition - teams will be announced, take the floor, with timing beginning with the first beat of music or organized movement
- One minute time LIMIT
- Up to three **CONSECUTIVE** eight-counts may be incorporated with stunts, tumbling and/or jumps. IF repeated (to accompany the repetition of the fight song), the incorporation must repeat exactly as initially performed.
- Skill restrictions:
 - No basket, sponge or elevator tosses allowed (cradles are considered dismounts, not tosses)
 - No inversions
 - No twisting dismounts from stunts
 - Single-leg extended stunts are limited to liberties and liberty hitches
 - No running tumbling
 - Standing tumbling is limited to one skill at a time. A back tuck is the most elite standing tumbling skill allowed

PRELIMS - Each performance will consist of one preliminary round of each of the three identified categories above. Each round will have a time limit of one (1) minute. Each of the three category prelim performance rounds will be preceded by a designated warm-up session.

FINALS – Six (6) teams per classification with the highest cumulative scores from the three preliminary categories will advance to finals. The final performance round will be preceded by a designated warm-up session.

Each FINALS performance will have an overall maximum performance time limit of three (3) minutes and will be performed in the following order:

1. Band Dance
2. Situational Response (see description below)
3. Crowd Leading
4. Fight Song

The entire performance will be executed in a continuous order. To continue the feel of a Game Day environment, **spirited crowd-leading interaction between each section is encouraged.**

SITUATIONAL RESPONSE: Each team will respond to audio cues by a game announcer, as heard at football and basketball games. In order to imitate the Game Day environment, audio cues will include an announcer-lead situational cue to which the team will show a definitive OFFENSE or DEFENSE response. A general response would not meet the criteria.

B. SCORES AND RANKINGS

1. In the preliminary rounds, each team will be scored by multiple judges in each of the three categories.
2. The official FINAL results and team placements will be determined by the cumulative scores from the FINALS round only. Preliminary round scores will not carry over to determine final team standings. However, if a tie occurs in the final round, the cumulative preliminary scores will be utilized to break any ties.
3. Scores and rankings will be available only to coaches as follows:

2017 GAME DAY STATE CHAMPIONSHIPS

RULES AND REGULATIONS

- Preliminary Rounds - score sheets will be made available to all teams following the preliminary round.
 - Finals scores and rankings will be posted on the OSSAA website following the conclusion of the competition.
4. The judges will score teams using the criteria listed on the OSSAA Game Day State Championship score sheet.
 5. All scores and judges decisions are considered final.

C. TIME LIMITATIONS

1. Acknowledging the potential variance in sound system and timing devices, judges will not issue a deduction until their stopwatches show a time of three (3) seconds over the time limit.
2. It is recommended that all teams practice and time performances prior to competition to allow for variations in sound equipment.
3. Introductions and exits:
 - a. All team breaks, rituals, and traditions need to take place backstage before a team is in the “on deck” or next to perform position.
 - b. Teams should take the floor immediately with spirit and enthusiasm, but without excessive gestures i.e. teams must refrain from chest bumps, hugs, and hand shakes.
 - c. All teams should refrain from any type of excessive celebration following the team’s performance.
 - d. There should not be any organized exits or other activities after the official ending of the routine.

III. INTERRUPTION OF PERFORMANCE

A. UNFORSEEN CIRCUMSTANCES

1. If, in the opinion of the competition officials, a team’s routine is interrupted because of failure of the competition equipment, facilities, or other factors attributable to the competition rather than the team, the team affected will be directed to **STOP** the routine.
2. If directed to stop a routine, the team will perform the routine again in its entirety, but will be evaluated only from the point where the interruption occurred.

B. FAULT OF TEAM

1. In the event a team’s routine is interrupted because of failure of the team’s own equipment, the team must either continue the routine or withdraw from the competition.
2. The competition officials will determine if the team will be allowed to perform at a later time. If decided by officials, the team will perform the routine again in its entirety, but will be evaluated only from the point where the interruption occurred.

C. INJURY

1. All participants must follow the OSSAA safety regulations. The only persons that may stop a routine for injury are: a) competition officials, or b) the school coach from the team performing.
2. If the cheer routine is interrupted by an injury to one of the participants the coach may choose to finish the routine from the point of interruption or choose to take the score earned to that point. If the competition officials allow a routine to be performed at a later time, the spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials. The team may perform the routine again in its entirety, but will be evaluated only from the point where the interruption occurred.

2017 GAME DAY STATE CHAMPIONSHIPS

RULES AND REGULATIONS

3. The injured participant that wishes to perform may not return to the competition floor unless the competition officials receive clearance from the on site medical personnel and the school head coach of the competing team.
4. Any injured participant suspected of a concussion is required to follow the OSSAA Concussion Policy regarding the treatment of concussions and must be removed immediately from the competition.

IV. INTERPRETATIONS AND RULINGS

A. AWARDS

Each conference or division will receive the following:

1. The top two teams will be awarded and designated with a runner-up trophy and 1st place with a championship trophy.
2. Each team member of the top two teams and one school coach will be awarded an individual medal first place - gold, second place – silver.

B. JUDGING PANELS

Judges will be provided by the OSSAA and they will be responsible for scoring each school performance according to the OSSAA competition score sheets.

1. Head Judge - The Head Judge is responsible for overseeing the entire Judging Panel that consists of Panel Judges, Point Deduction Judge, and Safety Judge. The Head Judge will also fill out his/her own score sheet for each performance.

3. Safety Judge - The Safety Judge is responsible for administering all safety violations, time violations, and boundary violations.
4. ALL JUDGES' DECISIONS ARE FINAL. NO PROTESTS – One of the calculated risks that a coach must accept is that he/she, his/her players, or the judges may make mistakes during the course of the competition. The OSSAA Board of Directors has established a policy of NOT HONORING A PROTEST based upon a rule situation nor a situation, which involved judgments on the part of the judges. The decision of the judges will be final. The OSSAA will not review tapes of the competition for the purpose of changing the judges' decisions.
