Rule 13--Section 10: APPROVAL OF EVENTS

All member schools, non-public school hosts, or any non-school individual hosts, should apply for OSSAA Sanction when three or more schools participate. Only events which are competitive in nature and where recognition, ratings or awards are given or winners determined qualify. The responsibility lies with the participating schools as well as the host member school, non-public school host, or any non-school individual host. Legal matters are the responsibility of the member school, non-public school hosts, or any non-school individual hosts.

Students may not be covered by catastrophic insurance unless the event is sanctioned.

Oklahoma Secondary School Activities Association scholastic eligibility standards are required of all students participating in extra-curricular activity programs. Local school boards may make exception for only those students participating in non-competitive activities.
