2018 OSSAA Regional Cheer Championships

I have included a full warm-up schedule on the next page. We are planning on running an ON TIME event all day. Please help us by checking in and arriving at your assigned times. Per OSSAA, the competition order cannot be changed unless there is an emergency.

Coaches Passes

Each team will be give 3 Coaches passes. These coaches' passes are required in order to get into the warm-up room, performance floor, and hospitality room. Team photographers or parents will not be allowed access to these areas.

Hospitality Room

There will be a hospitality room with refreshments for coaches only. Cheerleaders, other children, and non-coaches will NOT be allowed in this room. We will post scores for the whole division in the room. This room is located next to the concession stand in the Fieldhouse lobby.

Pre-Ordered Shirts

If you ordered shirts, these will be picked up at registration. Cash or Check payable to BAHS is accepted. We will have a limited amount available for purchase at the competition.

Warm-Up Flow

You will need to have your entire team dressed and ready upon check-in for warm-ups. Your team will have access to a section of the Warm-up Gym for stretching; however, stunting and tumbling will not be permitted in this area.

Your first mat time will be on 2 side-by-side panel mats. You will have 5 minutes on this mat. You will have a 1 minute rotation to your next mat. You will then have 5 minutes on a full competition floor. From the full floor, you will have 5 minutes to regroup and then you will be escorted back to the Tiger Fieldhouse to the On Deck area.

Stunt Review

Please arrive with a copy of your stunt review in hand in case there are any concerns with legalities in your routine.

Please contact me if you have any questions! Good luck to all teams!
