RE: Regional Cheerleading Competition Assignments
DATE: August 28, 2018

Below you will find assignments and other information for the regional cheerleading competition. Please review this material carefully, as there will be no mailing to your school. The regional competition will be held on September 15, 2018. **Floor passes for the regional competition can be picked up at the check in table at your regional site. These are the ONLY passes you will receive for regionals, lost or misplaced floor passes will not be replaced.**

Each competition will begin at the assigned times. You will be sent information from your assigned site via email prior to the competition.

NOTE: Fans and squads are not allowed to bring spirit posters, banners, etc. Admission prices are \$5.00 for adults and \$5.00 for students. The 2018-2019 OSSAA play-off pass will be the only pass accepted.

COACHES: Please remember that we will have a State Championship Program. You should email your squad's picture and roster to Rod Coulter at programs@vype.com, no later than September 7.

The State Competition will be held at The Mabee Center on the campus of Oral Roberts University on September 22, 2018.

It is mandatory that cheer squads remain in their school uniforms throughout the entirety of the competition for their respective classification. This includes the awards portion of the competition.

NOTE: If you had a stunt reviewed regarding the legality of your squad's routine you must take a copy with you to your regional site.

**** The following is a list of regulations or points of emphasis:**

1. The area used for competition must be matted.
2. The squad must use a minimum of one and one half minutes of the two minute time limit.
3. The timing begins after squad has set in formation on the matted area with the first motion, word or skill. The timing ends with the last word or motion. The squad must use a minimum of 1 ½ minutes of the two minute time limit.
4. Use of or the attempted use of illegal stunts or formations will result in a 10-point deduction per score sheet at the regional competition. A rule violation at State will result in a disqualification.
5. If the cheer routine is interrupted by an injury to one of the participants the coach may choose to finish the routine from the point of interruption or choose to take the score earned to that point, without any deduction for the minimum time limit not being met.
6. In the event of a tie, all judges' score sheets will be used for the tied squads. If the additional score sheets do not break the tie; the teams will be awarded the appropriate places.
7. See the 2018-2019 OSSAA Cheerleading manual for further information concerning managing a regional tournament.
8. Coaches who have not attended a rules meeting will be prohibited from coaching.
9. The performance order for the squads competing at the Regional and State competition has been set by the OSSAA staff. (NOTE: The order has been randomly selected by the OSSAA staff.) The order of competition is as listed on each regional sheet. An emergency will be the only exception for being late. If an emergency occurs, contact the site manager.

Please share the above information with your cheer coaches.
