EDUCATION-BASED ACTIVITY PROGRAMS

The National Federation of State High School Associations and the Oklahoma Secondary School Activities Association recognize the numerous potential benefits of participation by students in education-based activities. While education-based activities may differ between the stakeholder groups, all should be centered on optimizing the student's scholastic activity experience. Students will change, develop and expand abilities over time; coaches, administrators and parents should not only be cognizant of the fluid process, but also foster a safe, positive environment in which development can occur. Education-based activities must always be viewed as an evolving and unpredictable path.

The NFHS and the OSSAA recognize the influential role played by coaches and directors in all activities, and therefore emphasis should be placed on those individuals to instill and reinforce fundamentals and best practices, not only to minimize risk but also to promote an environment in which a student has the opportunity to reach his or her full potential. The common goal for all the stakeholders involved with education-based activities should be to make the experience enjoyable and rewarding for the all.

While our position is not intended to squelch dreams of achieving a college scholarship or professional or Olympic glory, we do place emphasis on the student's entire scholastic activity experience with the goals of enhancing participation, reducing injury risk, and optimizing performance and success (however defined) during the student's high school career. The ultimate goal; Producing an individual who is competent, confident, connected to his or her peer group and community, and of high character. This essential principle is at the core of the scholastic activity experience and is fundamental to the mission.

II. SEASON

- A. Organized practice for Tennis may begin no earlier than December 1. Organized practice is defined as school or anticipated school personnel directly or indirectly giving individual or team instruction concerning the fundamentals of a particular sport. From the close of the season for tennis to the start date of December 1, no organized practice in that sport may take place. However, certified school coaching personnel for that sport are permitted to provide instruction in that sport in a physical education class during the regular school day.
If a member school does not schedule a physical education class during the regular school day, then an additional period may be scheduled immediately after the close of the regular school day, not to exceed one hour for the purpose of conducting a physical education class, and instruction in a particular sport may be provided by certified school coaching personnel to students during that additional one-hour period.
Time spent transporting student participants to an off-site facility or from one school site to another for the purpose of providing instruction in a particular sport during a physical education class or during the one-hour period immediately following the school day shall not be counted toward the time allowed for off-season instruction. The practice period shall begin immediately upon the arrival of the athletes.
- B. OSSAA sanctioned tournaments and matches may begin March 1.
- C. Each team is allowed three scrimmages prior to March 1 with the first scrimmage date to be no earlier than February 1. There will be no loss on instructional time for scrimmages. There will be no sanctioned tournaments or matches prior to March 1. No team shall be allowed to scrimmage in Tennis after March 1. Scrimmages cannot be used for seeding information and will not count against the number of matches allowed.
- D. State Rules Meetings for all sports will be mandatory for each Head Coach. Tennis Coaches can fulfill this requirement at the Oklahoma Tennis Coaches Association winter clinic, the rules meeting is also available on-line at www.ossaa.com, click on the sports link, then Tennis for instructions. Proof that you have completed the on-line rules meeting must be submitted to the OSSAA.
- E. All head coaches of spring activities must complete their state rules meeting by March 1st. The penalty for failure to attend a state rules meeting or complete the online rules meeting and proper documentation submitted to the OSSAA office by the prescribed deadlines, will result in the school suspending the head coach for all interscholastic competition until the coach is in compliance and proper documentation has been submitted and verified by the OSSAA.

III. NUMBER OF MATCHES AND PARTICIPATION

V. REGIONAL AND STATE TOURNAMENT REGULATIONS

A. Regional Tournament Regulations

1. Coaches' ranking sheets can be found on the OSSAA web site (www.ossaa.com). These ranking sheets will be used for regional tournament seeding information. **These ranking sheets will be used for regional tournament seeding information. Coaches will be required to enter these ranking sheets on the OSSAA Rankings website before the regional tournament.** Record all singles matches played on the same sheet (regardless of the position played). Record all doubles matches played with the same partner on the same sheet (regardless of the position played).
2. Regional tournament sites will be announced on or before March 10, 2019.
3. 2019 regional tournament assignments will be posted on the OSSAA web site (www.ossaa.com) by 4:00 p.m. on April 9.
4. All regional tournament entry forms (blank form can be found on the last page of this manual) and updated seeding information should be brought directly to the regional seeding meeting. Do not send seeding information to the OSSAA.
5. Rule on position of players:
 - a) The #1 singles player must be better than the #2 singles player.
 - b) The #1 doubles team must be better than the #2 doubles team.
6. The regional tournament manager will conduct a seeding meeting the morning of the tournament. The seeding meeting will be no earlier than 8:00 a.m. If there is no seeding information available or there are questionable lineups, entries will be subject to protest by participating coaches. Any protest will be decided by a majority vote of the participating coaches present at the seeding meeting.
7. The seeding information criteria to be used at each regional tournament seeding meeting will be as follows:
 - a) Direct wins will be the first criteria used. If there is an even split in direct matches, the most recent win will determine the seed. Defaults can be counted as a direct win or loss to that opponent during that match. If there is a default after that match is completed, it counts as a win to the next opponent on that day. Defaults cannot be used as an indirect or a comparative score.
 - b) Indirect wins will be the second criteria used.
 - c) Comparative scores will be the third criteria used. If two players have a common opponent and one or both have played a common opponent once and/or more than once, then the best result will be compared. Comparative wins and losses will be compared equally. A split set comparative loss is better than a two set comparative loss even if fewer games are won in the split set loss. In comparative wins, a straight set win is better than a three set win.
 - d) Competition may be considered when determining a seed, but is not required.
 - e) In regional tournament play, if the criteria in a, b, c, and d does not decide the seed, the seed will be decided by a majority vote of the participating coaches present at the seeding meeting.
 - f) Pro sets will not be used for seeding purposes.
8. Tournament Administration:
 - a) Players shall be dressed and ready for play at the designated times.
 - b) Players should be at the courts at all times unless excused by the tournament manager.
 - c) Scheduling will be at the discretion of the tournament manager.
 - d) United States Tennis Association rules will be used. Unless amended by the OTCA
 - e) The tournament manager shall conduct the tournament in keeping with the Constitution and Rules of the OSSAA which may include disqualifying a player for unsportsmanlike conduct. Disqualification for unsportsmanlike conduct may occur either during a player's match or for behavior at the tournament site between matches.
 - f) **The regional tournament manager will enter results (state qualifiers) of the regional on the OSSAA Rankings website.**
9. Plan of Competition:

 - b) The #2 singles players will compete in the #2 singles bracket.
 - c) The #1 doubles team will compete in the #1 doubles bracket.
 - d) The #2 doubles team will compete in the #2 doubles bracket.
 - e) If there is only one entry in singles or one doubles team, they must compete in the #1 bracket. **EXCEPTION:** If the regional is moved from the original date announced by the OSSAA due to weather or some other reason, then the one entry in singles or one doubles team that has been playing in the #2 bracket all year DOES NOT have to move up and compete in the #1 bracket. The coach **must** provide documentation at the regional seeding meeting that this singles player or doubles team has been playing at the #2 position for most or all of the year. The decision to allow this will be decided on by a majority vote of the coaches competing at that regional.
 - f) A #1 player shall not compete in a #2 position.
 - g) A player may be entered in either singles or doubles, but not in both.
 - h) A school may enter two singles players and alternates, and two doubles teams and alternates. Any player used in singles or doubles may not be used as an alternate.

 - n) If a **DOUBLES** player qualifies for the state tournament and cannot participate, an alternate from the respective team's alternate list may be used. If there is no alternate listed or available, then the 5th place finisher(s) from the regional tournament event will advance to the state tournament. If the 5th place finisher(s) is or are not available then the 6th place finisher(s) from the Regional Tournament will advance. **If a SINGLES player qualifies for the state tournament and cannot participate, then the 5th place finisher from the regional tournament event will advance to the state tournament.  - r) Scoring on an eight point bracket will be: 9,7,6,5,4,3,2,1; and on a sixteen point bracket it will be: 12,10,9,8,7,6,5,4,3,2,1. The twelve point tie breaker will be used exclusively.
 - s) In the event of a tie for team finishers, co-champions or co-runners-up will be declared. A coin toss will determine which school will receive the appropriate trophy. OSSAA will send a trophy to the team not winning the coin toss. If a tie for first place occurs, there will be no runner-up team.
 - t) Each singles or doubles entry must furnish one can of new balls and give to the Tournament Director to distribute to the player(s). The loser will receive the used balls. The OSSAA will furnish balls for the state tournaments.

Prior to the seeding meeting, the Advisory Committee will meet and discuss who the eight seeds should be. At the seeding meeting, the Advisory Committee will have a predetermined list of the top 8 seeds that will be discussed with those in attendance at the seeding meeting. This list can be changed if there is additional information provided that the Advisory Committee did not have when compiling their original predetermined list. The Tennis Coaches' Advisory Committee will rule on any disputes that cannot be settled in the open seeding meeting. At the state tournament seeding meeting, the coach of each participant who has qualified for the state tournament must provide five (5) copies of the participant's won/lost record for the entire season and whom the record was against. If the coach of a participant does not provide this information, it will be left to the advisory committee of the respective class of tennis to seed the participant based upon the participant's season information. If the dispute cannot be settled by the three advisory members then the advisory group from one of the other classes will settle the dispute.**
 4. The seeding information criteria to be used at the state tournament seeding meeting will be the same criteria used during regional tournament competition.

Try-outs should only be conducted for the purpose of the selection of a school team and may not be used for practice time. Each day of the try-out may be up to 2 hours in length. No off-season try-out will be approved for more than three days, and all sessions of the try-out must conclude by 9 p.m. A record of all try-outs should be kept on file at the member school. The OSSAA reserves the right to request try-out forms from a member school. Exception: Cheerleading is exempt from the try-out Policy.

EFFECTIVE SUMMER 2019 SUMMERTIME DEAD PERIOD

The dead period will occur during the week in July that includes the 4th of July each year. The dead period will be nine (9) days in length and begin the weekend preceding or including the 4th of July and the weekend following the 4th of July.

School athletic facilities may not be used by enrolled or pre-enrolled students during the dead period in connection with any athletic activity governed by the OSSAA. Contact between coaches, assistant coaches and sponsors in any athletic activity governed by the OSSAA for the purpose of coaching, training, or instructing and any secondary-level students is prohibited by this Policy.

Summertime policies, including beginning and end of season restrictions, can be found in OSSAA Board Policy XI in the Administrator's Handbook.

Violations of the summertime dead period policy will result in the coach or sponsor being suspended from the first half of the regular season in that athletic activity.
