STATEMENT OF REFEREE. I am acquainted with the Officials who have attached their signatures on the reverse side. I believe they are competent and that they acted conscientiously and in good faith. The conditions were official in every way. An anemometer or anemometers, as prescribed by rule, was used and there was no tailwind for sprints, hurdles, running long or triple jump) exceeding 4.473 miles per hour (or 2 meters per second) at any time during the performance. I cordially recommend the claim to the National High School Records Committee for a National Record.

(Note: The referee should state any exceptions he desires to make to the foregoing statement. He should also describe the condition of the field or track, the force and direction of the wind, slope of landing area, and any other matters which might in any way influence the results of the performance.)
