#### OSSAA TRANSFER ATHLETIC ELIGIBILITY INFORMATION FORM

(TO BE COMPLETED BY THE SENDING SCHOOL)

A student who has transferred to your school must have been in good standing at the student's former school for eligibility consideration. This form must be sent to the new student's former school, completed in its entirety, returned to your school, and then maintained by your school with the new student's other records relating to athletic eligibility. The completed form must be submitted with any request for a hardship waiver. **NOTE:** A hardship waiver request should **NOT** be submitted if the new student was not in "good standing" at the time the student left the previous school. If the new student's former school answers "Yes" to any of the questions 6-13 below, then you should investigate further and consider whether a hardship waiver request for this student is appropriate before a request is submitted to the OSSAA.
