

## *Cheer Coaches:*

*My name is Lisa Turner and I am the Chickasha High School cheer coach. We have been chosen as a host site for one of the OSSAA regional competitions this year and we are excited to do our part.*

*The Chickasha Activity Center is located at 101 John P. Cowan Street, Chickasha. The activity center sets just north of the football and baseball fields (if that helps any).*

*As you are already aware, things will have to be done a little differently this year. **First**, we ask that you do **not** show up extremely early- teams will not be allowed to sit in the gym and watch other teams compete. This will help us with crowd control and social distancing. If you arrive before your check-in time please do not enter the gym area. **Everyone must wear a mask as they enter the activity center. You may take off your mask once you enter the commons area to stretch, please social distance from other teams while in the area (coaches wear mask the entire time).** We ask that you either stay on your bus until time to check-in, or you may wait outside (if weather permits). **Second**, Check-in will be located at the bottom of the activity center at the back. It is easiest to have your bus drop you off at the bottom of the A.C. and enter the check-in area from there. There will be a set check-in time for each team. At check-in, you will drop off stunt reviews, pick-up any pre-ordered shirts, and meet your assigned host that will lead you where you need to go throughout the competition. After you check in, you will be directed to the commons area of the high school. Your team will be able to stretch and use the restroom facilities before entering the practice area for warm-ups. **Finally, after you compete, you will be directed to the auditorium where you will wait for awards.** (there will be restrooms and concessions for you in this area)*

***Awards- fans will not be allowed to be in attendance for awards. Only teams and coaches with passes will be allowed in the auditorium area for awards.***

***Fans- Fans will be required to wear a mask the entire time they are in the facility. We will be opening and closing gates at certain times. We will open the gate thirty minutes prior to the beginning of each division. The gates will close at the start of each division. We also ask that fans exit the facility after their team competes. Since fans cannot stay for awards, this should be a natural progression of people entering and exiting the facility. Please inform parents/fans ahead of time about the procedures we have in place to keep everyone safe. This all starts with you making sure everyone does their part to keep others safe.***

***I will also be sending each coach a document for you to run as many copies as you will need. This will be the fan pass each person will have to present at the gate to be able to purchase a ticket for the division they intend to watch. This is going to help keep fans from entering at 10:00 when their team does not compete until 1:00. Only those with a pass for 2A can enter from 9:30-10:00, 3A from 11:00-11:30, and so on. Coaches will be the biggest help with this by ensuring all fans know what to expect.***

***Gate Opening and closing times for each division-***

***large CO\_ED- open @ 3:00 close @ 3:30***

***Shirts-*** We will be taking pre-orders for t-shirts this year. If your cheerleaders want to order t-shirts, please send me a text or email with the number of shirts and sizes you wish to order (please include if it is short or long sleeve). You will pay for the pre-ordered shirts at the check-in table when you arrive for your check-in time. The cost will be **\$18 for short-sleeve and \$20 for long-sleeve**, please add \$3 for any sizes 2XL or larger. **All pre-orders of shirts will need to be turned in to me by December 30th at 10:00 A.M.** This is to ensure we can get all shirts in on time and printed. (COVID makes availability an issue at times). LOL

I have included an attachment of the shirt design, it will be on a Carolina Blue shirt with Navy and white for the design- the white will be snowflakes with glitter on top of the white to make it sparkle! If you have boys or girls that do not want the glitter on the snowflakes- that can be done, just please inform me how many you want with no glitter and I will turn it in to be printed separately.

***Warm-up times-*** I will be getting those put together and will send that out by the end of next week. Just know many things can change between that time and the time we actually compete. I will try to keep you up to date on all changes.

If you have any questions or wish to pre-order shirts, you may contact me @ 405-641-2644, or by email- [ltturner@chickasha.k12.ok.us](mailto:ltturner@chickasha.k12.ok.us)

***Thank you for your time and GOOD LUCK!***
