When the regional tournament is completed, **the host site** should immediately contact Amy Cassell with the Regional Winner and the Regional Runner-Up. Call or text 405-990-7752 with the information, or email acassell@ossaa.com.

The OSSAA will draw the bracket for the state championship tournament and it will be released on the OSSAA website (www.ossaa.com) on Friday afternoon, April 30, 2021.

This year's State Tournament will be played in two-days. The first day (May 4) will be the quarter and semi-final rounds all classifications will be played at The Ballfields at Firelake in Shawnee. The second day (May 5) will be the championship games for all classifications, all games will be played at USA Hall of Fame Stadium in Oklahoma City.

TICKETS FOR STATE CHAMPIONSHIPS:

All tickets will be sold online. No tickets will be sold at the gate at either site. Tickets may be purchased from the OSSAA.com homepage. Tickets are \$11.50 and are good for the entire day on Tuesday, May 4 at The Ballfields at Firelake.

On Wednesday, May 5, the facility will be cleared after each contest. Tickets will be \$11.50 and are only good for one game. A ticket will have to be purchased for each game at USA Hall of Fame Stadium.

The Rules of Play will be those of the 2020 National Federation Softball Rule Book. (The NFHS will not publish a new rulebook until January 2022.)

All play-off games will be regulation seven inning games unless the run rule is in effect. The run rule will be 15 runs after 3 innings, 12 runs after 4 innings, or 10 runs after 5 innings in effect throughout the play-off series. The host school shall inform the umpires of this regulation prior to the tournament beginning.

Courtesy runners may be used for the pitcher or catcher. Any substitute may run for the pitcher or catcher, but not both.

The OSSAA has adopted the National Federation extra player as in rule 3-1-1.

For the OSSAA play-off tournaments, each team will be limited to **twenty-two (22)** suited squad members.

Awards will be sent by the OSSAA to the regional site.

Refer to the 2020-2021 OSSAA Slow-Pitch Softball Manual for further information.

The pitching distance shall be 50 feet.

MANDATORY BAT TESTING PROCEDURES FOR STATE TOURNAMENT TEAMS

All bats will be tested at the State Tournament site. Every bat to be used in the tournament **MUST** be tested prior to the first game for each respective team. Bats that have been tested prior to the State Tournament must be re-tested at the site. A different sticker than the one used during the regular season and at regional tournaments will be used.

Any batter entering the batter's box with an untested bat will be automatically out, and the coach from that team will be restricted to the dugout for the remainder of the contest.

A schedule for bat testing will be released with the State Tournament brackets.

Suspended game: If weather, darkness, or other circumstances interfere with play so that a play-off tournament game is called (ended) by the umpire, it is a regulation game provided: (a) five full innings have

been played; or if the home team has scored a greater number of runs in four or four and a fraction turns at bat than the visiting team has scored in five turns; or (b) play has gone beyond five full innings and is called when the teams have not had an equal number of completed turns at bat. The score shall be the same as it was at the end of the last completed inning; unless the home team, in its half of the incomplete inning scores a run (or runs) which exceeds the opponent's score, in which case, the final score shall be recorded when the game is called. Otherwise, it will be a suspended game. A suspended game shall continue from the point of suspension on the earliest possible day, with the line-up and batting order for each team the same as it was at the time of suspension.

Ill-fitting batting helmets are a growing concern among game officials. Umpires have reported several incidents where the batter and/or base runner's helmet has come off the head while a player is running the bases. A helmet that fits properly will not easily come off the head. It is the responsibility of each school to properly equip your softball players for safety reasons. Please make sure you have enough helmets in various sizes for your team to wear. Also, chin straps can easily be purchased or made for helmets.

Application for academic achievement award must be postmarked or faxed or emailed by April 28, 2021. The form is located on the OSSAA website, www.ossaa.com.

If weather conditions look unfavorable, please contact the site manager before leaving for the tournament.

Designated Media Area – National Federation Softball Rules require the home team or game management to designate a lined area for the media. This area shall be considered a dead ball area. This rule also prohibits media from being in a live ball area. (Rule 1-1-7)

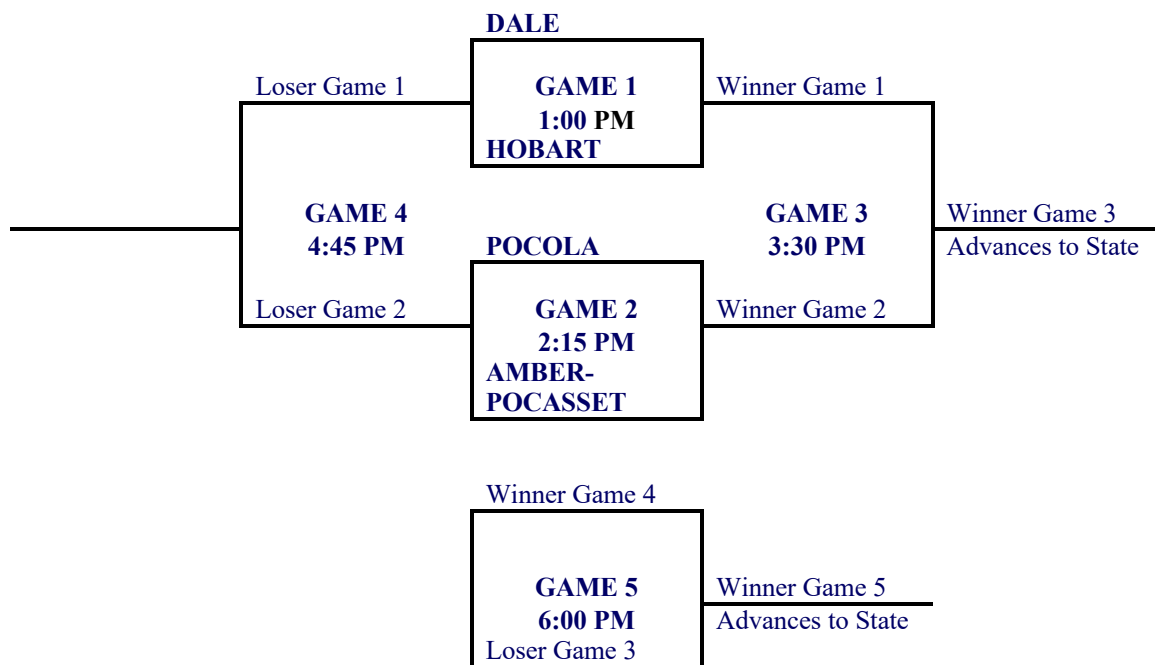

The OSSAA is asking each host site to cooperate with the media and provide a designated area outside of live ball territory. We realize each park is built different and the above recommendation may not be feasible. An area that affords the best possible coverage with the least possibility of an interference situation should be selected however NFHS Rule prohibits the area to be in live ball territory .

Each team participating in the regional tournaments should email a team picture and roster to programs@vype.com no later than April 30.
