

## **OSSAA MEDIA GUIDELINES FOR VOLLEYBALL STATE TOURNAMENTS**

Face coverings will be required for all media members.

Post-game interviews should be conducted while wearing face coverings and maintaining at least six feet of distance between the interviewer and the coach or player being interviewed.

Media tables will be set up on the court for newspaper writers and radio stations.

If the team you are covering is not playing, please allow working media to use the spots at the media tables. Once your game has ended, please allow media for the next contest to set up for their game.

No spouses, children or friends will be allowed at the media tables.

If you have any special requests, please contact the OSSAA three (3) days prior to the tournament starting.

Please be respectful, patient and understanding of others during these trying times.
