

Cheer Coaches:

I thought I would give you some general information about where we are located and the schedule for events. Some of this is repeat information, but there are some added details. The warmup schedule will be attached to this email.

**The CHS Activity Center address is 101 John P. Cowan Street.**

The activity center is located north of the football and baseball fields.

**Fans-Online- tickets only to enter the facility, no tickets will be available to purchase at the facility.**

**Playoff passes from OSSAA will be the only ones allowed.**

**Those are also online now, so no paper tickets/passes will be allowed.**

Check-in times are listed on the warmup schedule.

You may arrive before your check-in time, but note there will be limited seating for teams since we will have divisions going all day long.

**Please do not allow fans to arrive and take up a large section during a division in which you do not compete.** Every fan/parent should have the opportunity to watch their cheerleader perform, and other fans/teams arriving early should not be an issue for that to occur.

**Awards between divisions!! We will be doing awards after each division, so there will be two regional champions and regional runners-up per class.**

For awards, we ask that all teams remain in the stands while the announcement of those moving on to state, along with the regional runner-up and regional champion, is announced. We will bring your plaques to you in the stands.

Class 4A-I start time is 11:00 A.M.

Class 4A-2 start time is 12:15 P.M.

Class 5A-I start time is 1:30 P.M.

Class 5A-II start time is 2:45 P.M.

**MUSIC-** If you have music during your performance, please have your phone or device on airplane mode. We will have a cord to plug into the

sound system, but it will be like a headphone jack for iPhone- so any adaptors you may need, need to be brought to the announcer's table before your team takes the floor (preferably while your team is on deck). Please note that you or your designated person are responsible for starting and stopping all music.

**The Check-In Table for all teams-** is located on the back side of the Activity center at the bottom level. Teams should be dropped off behind (North side) of the activity center. Bus parking will be available all around the activity center. There should be plenty of parking for everyone.

Please go to the check-in at your designated time, where you will receive any preordered t-shirts, drop off your stunt review, and any other information for the day. Each team will have a host that will escort them to the facilities for stretching, then on to the practice gym. Please be aware Chickasha Schools will not be responsible for items left in the gyms or warmup areas.

Teams will enter the gym floor facing the north. You may exit on the opposite side you entered.

If you have any questions or wish to order shirts, you may contact me @ 405-641-2644, or email- [lturner@chickasha.k12.ok.us](mailto:lturner@chickasha.k12.ok.us)

Thank you for your time, and GOOD LUCK! Take State!

Lisa Turner  
Chickasha Cheer Coach
