OSSAA HIRES BRIAN LESTER AS ASSISTANT DIRECTOR

(Oklahoma City, OK) The Oklahoma Secondary School Activities Association is excited to announce the hiring of Brian Lester as an Assistant Director. He will replace David Glover, who will become the Kingfisher Athletics and Operations Director, after nine years at the OSSAA.

Lester's responsibilities will include providing leadership to and the coordination of OSSAA Class 4A-B Basketball, Cross Country, Golf and other administrative duties. He comes to the OSSAA from Tuttle High School where he has served as the Girls Head Basketball Coach, Athletic Director and Assistant Middle School Principal. Lester has a total of 27 years in education at Putnam City West, Heritage Hall, Tuttle and two stops at Choctaw. Lester has served multiple roles as an administrator, teacher, and coach in boys and girls basketball, volleyball, tennis, baseball and cross country.

"Brian's experience and success as a coach and athletic director will serve him well in his role as an Assistant Director for us. Just like Coach Glover, Brian brings instant credibility to the high school basketball community and his success has been well documented throughout his career. He's an established leader of young men and women and strongly believes in the value of education-based activities. We are very fortunate to have Brian join our staff."

Lester and his wife of close to 27 years, Stacy, have one son, Tyler. Tyler and his wife, Addie, will make Brian and Stacy grandparents this July. Employment for Lester begins on July 1, 2022.
