The OSSAA will recognize **high school** music departments that excel in academic achievement **and** also PARTICIPATE IN OSSAA CONTESTS DESIGNATED FOR THEM. In order to apply for this award, your department must participate in at least one of the regional, district or state level contest held by the OSSAA. You must list every student in your department, at the time the application is submitted to the OSSAA for consideration for the academic achievement award. You cannot apply for the award with just one part of the department (just the jazz band, or marching band); the entire department who participates in OSSAA contests must be listed on this form with their first semester **Non-Weighted GPA** to be considered.

1. Two levels of awards (each student must participate in at least one OSSAA contest designated for that particular department).
  - a. **Academic Achievement Certificate** – Entire Music Department (Band, Vocal, or Orchestra) with over-all GPA of **3.250** (based on 4 point grading system, **non-weighted**, and computed to the nearest thousandth percentile).
  - b. **Distinguished Academic Plaque** – Entire Music Department (Band, Vocal, or Orchestra) with over-all GPA of **3.500 to 4.000** (based on 4 point grading system, **non-weighted**, and computed to the nearest thousandth percentile).
2. Group Qualifications: Eighty-five percent (85%) of the total membership of the entire music department (Band, Vocal or Orchestral) that entered OSSAA competition.  
**All music academic awards are based on the first semester grades. (Non-traditional semester: An approximate 18-week grading period used to divide the school year in half).**
3. Award Presentations: Certificates and plaques will be mailed to the school to be presented during a school function (assembly, school board meeting, banquet, etc.).
