

Coaches and Administrators,

On behalf of Heritage Hall Schools, we would like to welcome your teams to our campus and wish you the best of luck in your upcoming competition. In order to help us stay on schedule and put on an amazing event, we have listed some important information below.

School Address

Heritage Hall is located at 1800 NW 122nd St, in Oklahoma City. The event will take place in the McClendon Athletic Center (MAC), located on the campus of Heritage Hall. I have attached a campus map below to help guide you. All spectators will enter the MAC through the main entrance. Teams will need to enter through the designated team entrance, located on the northeast corner of the MAC.

Ticket Information

All tickets to this event will be sold online. The link for tickets is posted on the homepage of OSSAA.com. Tickets are \$7.00 for students and adults. The only pass accepted is the 2022-2023 OSSAA Play-Off pass. Passes must be shown with a driver's license.

Bus Parking

In order to keep traffic flowing smoothly, we ask you to please follow these instructions. All buses, that will be dropping their team off at the McClendon Athletic Center (MAC), should enter through the north gate off 122nd Street. Continue heading south on Alumni Drive, past the softball field, and enter the MAC parking lot through the west entrance. Please pull all the way down to the east end of the building. Teams should be dropped off at the northeast corner of the MAC, and enter through the team entrance. Signs will be placed to help assist you. After drop off, buses should then continue on to our dedicated bus parking, located in the upper school parking lot. If you choose not to drop off your team at the MAC, you can use the east entrance, off 115th Street, for convenient access to our bus parking. To avoid traffic issues, we ask that buses do not pick up their team in the MAC parking lot after their performance. Buses should use the pick-up lane in front of the middle school if they will be picking up their team. With so many buses coming and going throughout the day, your cooperation will be greatly appreciated.

Team Check-In

Team check-in will be located right inside the team entrance. Teams should arrive as close to their check-in time as possible. We will have staff on hand to help direct all teams to where they need to be. Unfortunately, we cannot provide every team with a locker room, but we will have three locker rooms available in the warm-up gym for teams to use if needed. We ask that teams do not leave anything in the locker rooms unattended. Once ready, teams should wait in the bleachers of the warm-up gym until called. Please be ready and on time to keep the competition running smoothly.

Spectator Seating

Seating will be available on either side of the competition mat. Spectators will enter the bleachers from the competition floor. We ask spectators to please be courteous of all teams and not leave the stands during a team's performance. We will try our best to keep the doors to the competition floor closed during performances and encourage spectators to enter and exit between performances.

No outside food or drinks will be allowed into the facility. A full concession stand will be available throughout the entire competition.

Results

Results will not be announced on-site. Qualifiers will be posted to the Spirit page of OSSAA.com by 9:00 pm November 5th. Once your squad performs you should leave the facility.
