I. Action Items

a. Proposal presented by Kendra Hoover

- i. Proposed adding Class A with the classifications as follows: 6A top 32 school per ADM, 5A next 40 schools per ADM, 4A next 48 schools per ADM, 2A next 80 schools per ADM and A all remaining schools. 5A and 6A process remain unchanged. 4A and 3A would decrease the number of teams qualifying for state from 21 to 18 while 21 individual runners still qualify. 2A and A would have 15 teams qualifying for state and 30 individual runners qualifying. Class A would have modified scoring – 6 runners and score the top 4.
